SCI-FI/FANTASY

The comics have been mining the twin genres of Sci-Fi and Fantasy for decades, and that is still the case today, with dozens and dozens of strong, well-written, masterfully illustrated graphic adventures released every month. To celebrate the Sci-Fi and Fantasy genres, we've peppered this issue with some great titles, new and classic, that would make just about any fan's recommended SF/F reading list. Any of these selections will make for a perfect "great escape" for taking it easy! Just look for the SF/F icon throughout this issue!

THE FLIPSIDE INTERVIEW: COSMO RETURNS!

Cosmo is Archie Comics' latest offering in their Action-Adventure line, and you'd be forgiven for thinking it as an entirely new IP. But the truth of the matter is *Cosmo the Merry Martian* debuted as a mini-series in 1958! Debuting in early 2018, Cosmo and his friends venture into the stars with a human astronaut on all-new exploits! Tuning into the frequency that matches this month's Sci-Fi/ Fantasy theme, we pointed our radio telescopes toward the Archie Comics homeworld and made contact with Cosmo's imperious leader, Ian Flynn, for this month's *FlipSide*!

THAT LANDMARK FEELING...

It seems like only a while back that we hit our landmark 300th issue of ***PREVIEWS***. And this month, we once again hit a landmark (albeit a minor one) with issue #350. It's been over 29 years since we started this publication from the ashes of *Bud Plant's Quicklist*, the catalog publication I used to write before picking up and moving to Maryland to help produce ***PREVIEWS***. And here we are. Issue #350.

Diamond PREVIEWS
Diamond PREVIEWS
Diamond PREVIEWS

Over the years I've seen a lot of changes here with ***PREVIEWS***... increasing page counts, improved paper stocks for interior pages and covers, a burgeoning array of products made available each month. Laying an early issue of ***PREVIEWS*** side by side with one of our latest issues is like comparing a mole hill and mountain... a camp tent and a pyramid. It's just stunning and a bit unbelievable that what we worked on so hard to produce in 1988 (with our bare hands, practically!) doesn't even stack up to the 600+ pagers wer now produce. It's just so surprising what nearly 30 years can do to a publication like ours. Change, as they say, is inevitable.

And that was never more true than with our staff. Being here since Day One, I've witnessed firsthand over the years all of the changes to our staff. Before I took over the editor's chair, we went through five or six other editors, and we've had a couple of dozen graphic designers over the years too. And I've greeted and said goodbye to as many writers, proofreaders and interns over the years as well. Some I'm still in contact with to this day, others are just blurry memories with names I can no longer remember.

Maybe I'm like John Belushi's survivor character from the b&w short film that featured Belushi reminiscing about his fellow *SNL* cast members, and him ultimately dancing on their graves, having outlived them all... ironic of course, as he was the first to go amongst the original cast members. Maybe this will sound hokey, but sometimes I can't help but feel like the Highlander, or a vampire, or some other type of immortal, who outlives (outlasts) all of his friends and co-workers, while never changing. Of course, I don't have the luxury of the whole immortality thing, so I get older, and everyone else gets younger.

Which sounds like some kind of SCI-FI/FANTASY theme right there... *exactly* the kind of thing that we're celebrating this month in our 350th issue of ***PREVIEWS***! I've always been a big SCI-FI fan, not so much with the FANTASY. I never really got into the *Lord of the Rings* or *The Hobbit*, but loved playing *Dungeons & Dragons* with my friends (go figure)! Every month in ***PREVIEWS*** could easily pass as SCI-FI/FANTASY month, as those are two of the main staples of our industry. Even Archie Comics is getting into the SCI-FI action biz with their re-launch of *Cosmo* #1, based on a little-known alien character from the late '50s. You can find our exclusive interview/preview on this issue's FlipSide.

There's plenty for everyone in this issue to enjoy... no matter what your interest or segment of fandom. I hope you find what you're looking for within these pages!

So, from all of us here at ***PREVIEWS*** (past and present!), we wish you and yours a Happy Thanksgiving!

Your Pal @ ***PREVIEWS***,

SCI-FI FANTASY

STRANGERS IN PARADISE

Please tell us a bit about yourself!

Well, I'm an American cartoonist known for creating and self-publishing four comic books series, *Strangers in Paradise*, *Echo*, *Rachel Rising*, and *Motor Girl*. My wife Robyn and I publish through our own imprint Abstract Studio — I make the comics, she runs the business. We make a great team. Together we've won the Eisner, Harvey, GLAAD, and Reuben Awards for our books.

What are your favorite projects you've contributed to over the past decade?

I've been fortunate to work on numerous mainstream titles over the years, including *Spider-Man Loves Mary Jane*, *Runaways*, *Ultimate Spider-Man*, *Star Wars*, *Buffy the Vampire Slayer*, and *The Simpsons*. Honestly though, I think the two jobs I'm most grateful for are a 2-page story for *Legends of The Mouseguard*, and an 8-page story for *Peanuts—A Tribute to Charles Schulz*.

What are you currently working on?

The new series, *Strangers in Paradise XXV*! 2018 is the 25th Anniversary of my comic book debut with the first issue of *SIP*, so we want to bring the series back for fans of the series and hopefully introduce it to a new generation of readers. I'm convinced that Francine and Katchoo are still cooler than us and I'm determined to prove it!

I'm also writing a script for the *Strangers in Paradise* movie. IMG Global is backing the project and Angela Robinson is onboard to direct. It's the perfect setup for a great result and we're all determined to make something wonderful.

What fun titles are you reading?

I don't know if this counts, but I just got the complete box set of *March* (*Trilogy Slipcase Set* / JUN160409). I've heard so much about it, I'm really looking forward to reading it. I read anything by David (*Mouseguard*) Petersen and Skottie (*I Hate Fairyland!*) Young. Those guys make life better for all of us. I also think Katie Cook is a national treasure. She's a wonderful cartoonist and very funny. She makes lots of different books and we need to read every one of them.

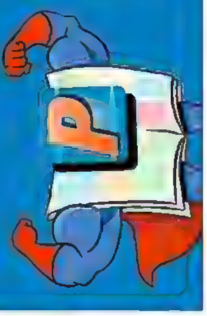
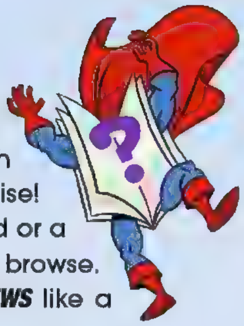
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

WHAT'S@ COMIC SHOPS



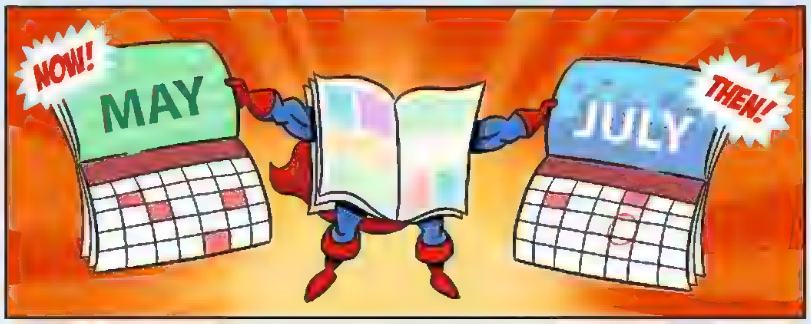
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
THEN!
JULY

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

November 2017 | Edited By: **Allyn Gibson** | editor@PREVIEWSworld.com

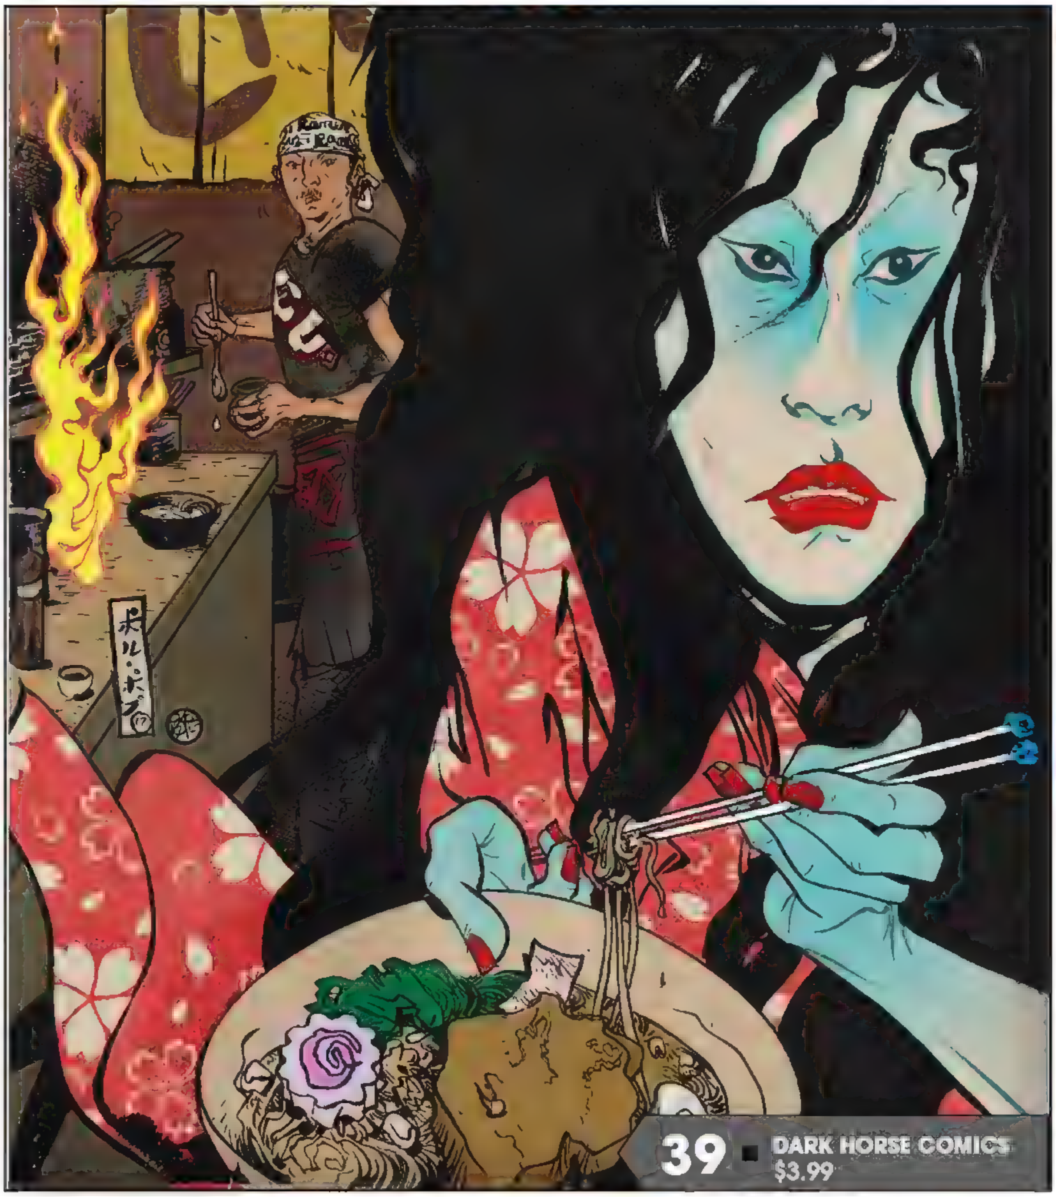
DISCOVER THE UNTOLD STORY OF THE BLACK PANTHER

The king of Wakanda, the Black Panther, is one of the world's greatest superheroes. What is his story? Where did he come from? How did he become the leader — and the hero — that leads a nation and inspires the world? Evan Narcisse, Ta-Nahisi Coates, and Paul Renaud explore the Black Panther's origins this January in Marvel Comics' *Rise of the Black Panther*.

Before he was Wakanda's king, he was merely a boy and heir to the throne. Before he was the Black Panther, he was T'Challa. The assassination of his father, T'Chaka, serves as a brutal moment of reckoning for the isolated and secretive nation, and T'Challa will have to embrace the moment to bring Wakanda onto the world stage. Forced into the kingship and bestowed with the mantle of the Black Panther before he was ready, the young T'Challa must learn to play the game of politics to survive upon his throne and master his mind and body to become the Black Panther.

Evan Narcisse, the acclaimed tech and gaming journalist, pens his first comic book work with award-winning *Black Panther* writer Ta-Nahisi Coates. Joined by artist Paul Renaud, *Rise of the Black Panther* is a dramatic retelling of Black Panther's origins that adds depth to previous tellings, as focused on the world around T'Challa as on the character himself.

Timed for release prior to the long-awaited *Black Panther* film from Marvel Studios, *Rise of the Black Panther* is a powerful retelling of Black Panther's origins that no Marvel fan will want to miss!

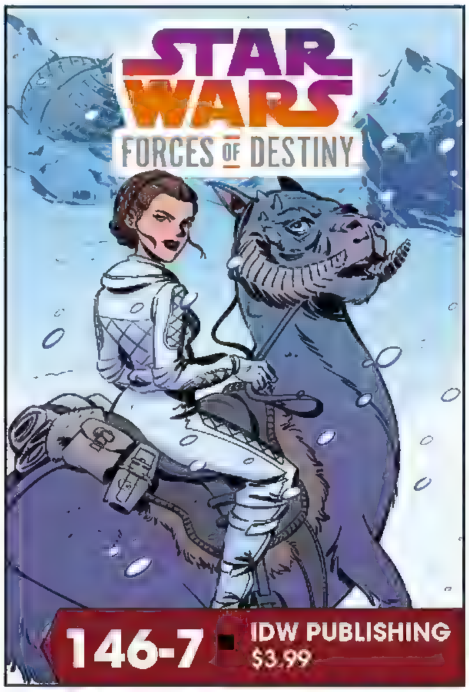


GHOSTS ARE IN THE KITCHEN IN ANTHONY BOURDAIN'S HUNGRY GHOSTS

Celebrity chef Anthony Bourdain (*Kitchen Confidential*) brings his culinary insights to bear on a new horror comic from Dark Horse Comics' Berger Books imprint, *Hungry Ghosts!*

Inspired by Japanese folklore and vintage EC Comics, *Hungry Ghosts* is an anthology of food-themed horror stories – spirits haunt kitchens, curses infect the meal. Reteamed with his *Get Jiro!* cowriter Joel Rose, Bourdain spins tales of food gone supernaturally wrong for the first book from Berger Books, the new imprint at Dark Horse Comics headed by legendary Vertigo editor Karen Berger.

A throwback to vintage horror comics with a Japanese folklore twist, written by one of the most popular chefs working today, *Hungry Ghosts* will leave you satisfied but hungry for more!

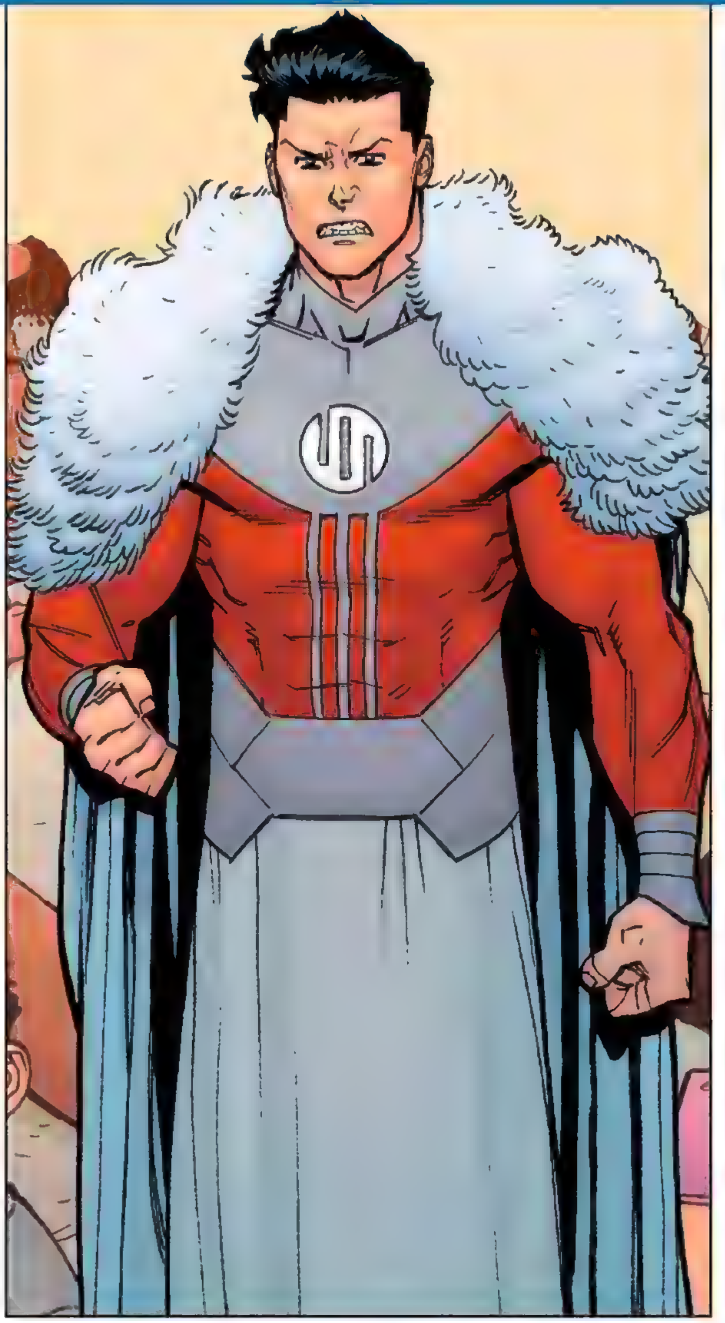


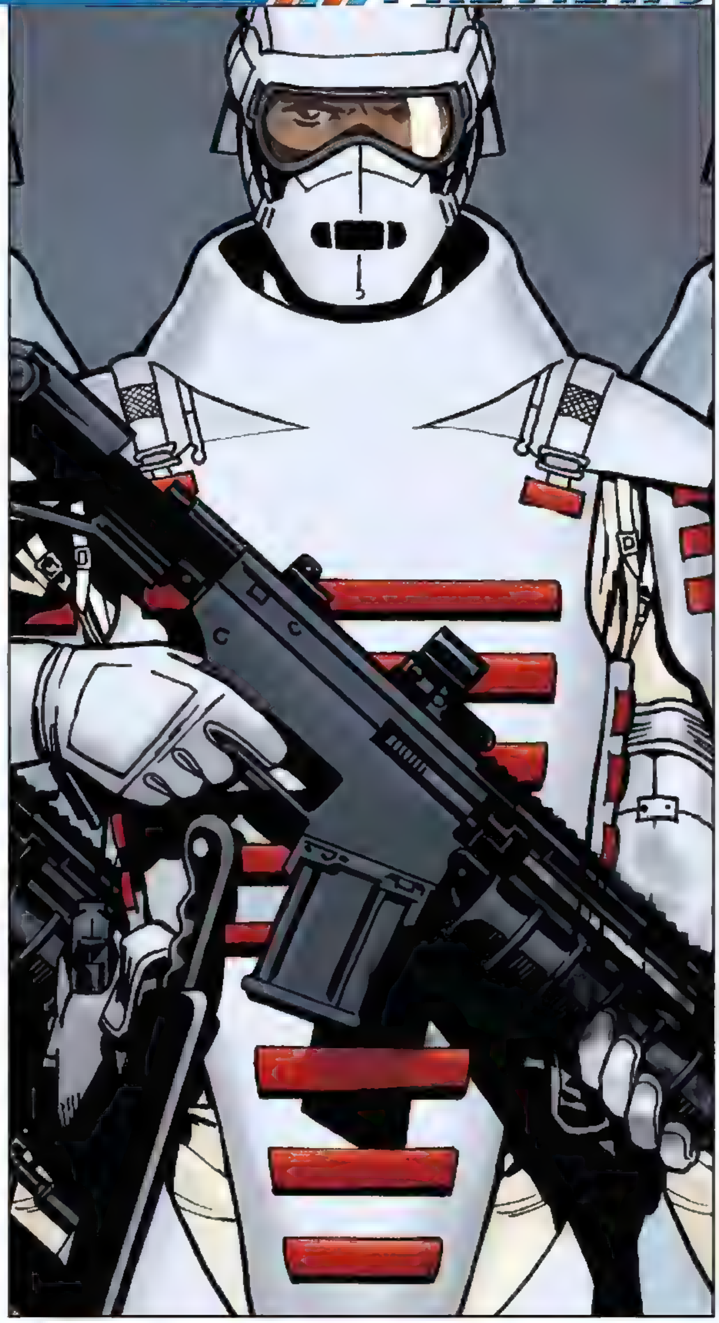
LEGENDS AWAIT IN *STAR WARS: FORCES OF DESTINY*

Debuting this summer, Disney's *Star Wars: Forces of Destiny* animated shorts are introducing a new generation of children to the *Star Wars* universe, especially girls with their focus on the female characters of *Star Wars* like Princess Leia, Jyn Erso, and Rey. IDW Publishing brings the animated style and character focus of the shorts to comics with their *Star Wars: Forces of Destiny* one-shots this January!

Each one-shot focuses on an era-specific character or character-pairing, showing the hero facing difficult challenges, overcoming those challenges, and embracing their destiny. The five specials – *Princess Leia* (from the Original Trilogy), *Rey* (from *Star Wars: The Force Awakens*), *Hera* (from *Star Wars Rebels*), *Ahsoka & Padme* (from *Star Wars: The Clone Wars*), and *Rose & Paige* (from the forthcoming *Star Wars: The Last Jedi*) – span the entirety of the *Star Wars* saga.

With creators including Elsa Charretier, Jody Houser, Devin Grayson, and many more, the *Star Wars: Forces of Destiny* one-shots are certain to fire the imagination of the youngest fans of a galaxy far, far away





AN ENDING AND A NEW BEGINNING IN TWO ROBERT KIRKMAN SERIES THIS JANUARY

One of Robert Kirkman's longest-running series draws to an end in *Invincible* #144, while another sets off in a new direction in *The Walking Dead* #175, both from Image Comics this January!

Mark Grayson, the son of the world's greatest hero, has grown into his own man over the course of Kirkman and Ryan Ottley's *Invincible*, and this January it comes to an end as the twelve-part "The End of All Things" comes to a conclusion. Whether you've been with *Invincible* since the very beginning or you joined Mark's journey, the double-sized *Invincible* #144 cannot be missed!

Meanwhile, the world in the aftermath of the zombie apocalypse is changed forever as the "New World Order" story arc begins in Kirkman, Charlie Adlard, Stefano Gaudiano, and Cliff Rathburn's *The Walking Dead* #175. The perfect jumping-on point for new readers, the world of *The Walking Dead* is forever changed as new friends and new threats are introduced!

Coming your way this January, one Robert Kirkman saga draws to its long-awaited conclusion while another is forever changed!

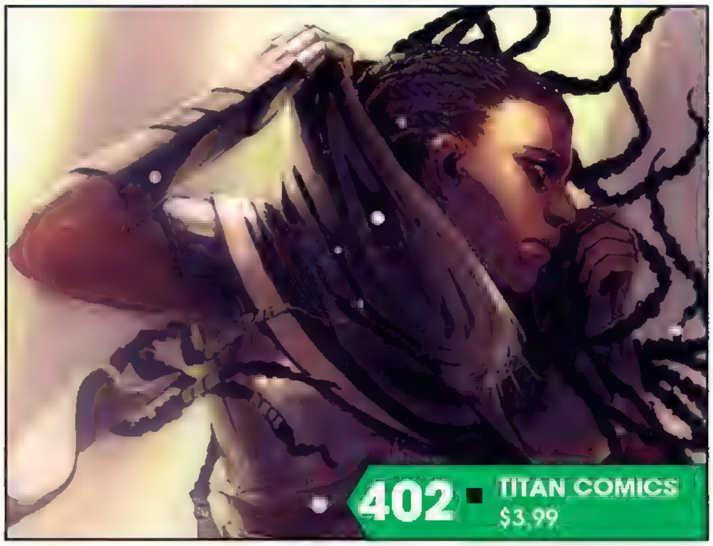
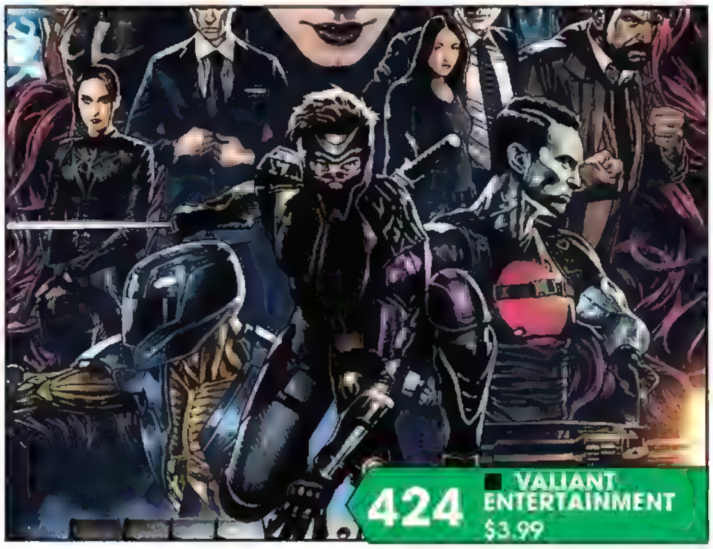
ARCHIE ACTION LAUNCHES WITH FLYNN AND YARDLEY'S *COSMO*

Archie Comics reunites the fan-favorite *Sonic the Hedgehog* creative team of Ian Flynn and Tracy Yardley this January with the sci-fi adventure, *Cosmo!* Cosmo and his crew of Martians patrol the planets in search of adventure, and they find their biggest adventure yet when they find a stranded human from Earth in space! If you've been missing the fun of Archie's *Sonic* and *Mega Man* comics, you'll find it in spades in Archie Action's first title *Cosmo* #1, coming this January!



UNCOVER HISTORY'S SECRETS IN *ASSASSIN'S CREED ORIGINS*

The secret history of the war between the Assassins and the Templars, one that has spanned all of human history, was revealed in October's video game release, *Assassin's Creed Origins*, and in January Titan Comics brings the game's story to comics! Taking readers back to ancient Egypt and the days of the Pharaohs, *Assassin's Creed Origins* reveals the secret conflict that has been at the heart of human civilization since its dawn!



NINJAK FACES A BATTLE ROYALE IN THE VALIANT UNIVERSE

The Valiant Universe comes to life in the web series *Ninjak vs. the Valiant Universe* from Bat in the Sun, the team behind *Super Power Beat Down*, and Valiant Entertainment brings the exciting action of the series to comic books in a four-issue mini-series! Ninjak, the world's greatest assassin, is challenged in battle by the heroes of the Valiant Uninverse, and this mini-series will feature action-packed battles as well as introducing new readers to Valiant's characters!

WHERE COMICS ARE NOW

Hello Retailers,

I'd like to personally welcome you to the debut of BERGER BOOKS! I'm very excited to be back in comics in a big way, and especially to be working with the very fine crew at Dark Horse.

As most of you know, stories that are smart, sensational, and a bit strange have always been my passion. Even before founding Vertigo, I've always edited comics that I wanted to read myself. I wasn't a comics fan growing up, and my outside perspective proved to be an asset in helping to broaden the playing field. Whether it's modern, magical, horror, historical, crime, or speculative fiction, publishing diverse material that literally or thematically speaks to the times we live in is always at the core of what I publish.

As always, it's been the immensely talented creators I work with who really make it all happen. And at BERGER BOOKS, I'm extremely lucky to be working with some fantastic and fearless storytellers who each bring their unique style and point of view.

The first comic I ever edited back in the day was *House of Mystery*, so there's a special symmetry that we're launching with *Hungry Ghosts* this month. A thrilling modern horror concept, steeped in Japanese legend with a dash of EC Comics, this anthology series of interconnected stories is full of ghosts, demons, monsters, and strange delicacies, as chefs from around the world tell terrifying tales.

It's co-created and written by Anthony Bourdain, bestselling author of *Kitchen Confidential*, Emmy-Award winning TV star of *Parts Unknown*, and long-time comics fan. He's reunited with co-writer Joel Rose—we worked together on the NYT best-selling *Get Jiro!* graphic novel at Vertigo—and it's been great watching them stir the pot with these incredible tales. Vanesa Del Rey and Alberto Ponticelli are drawing the first issue, with Paul Pope doing all series covers.

In the first half of 2018, BERGER BOOKS will be publishing three more original series and two very special graphic novels. And one concept carries over to both formats: *Incognegro: Renaissance* by Mat Johnson and Warren Pleece is a page-turning mystery of racial divide set in 1920s, and is a prequel to the special 10th Anniversary Edition of the acclaimed graphic novel, *Incognegro: A Graphic Mystery*, a story more timely than ever that confronts virulent racism in the pre-Civil Rights South.

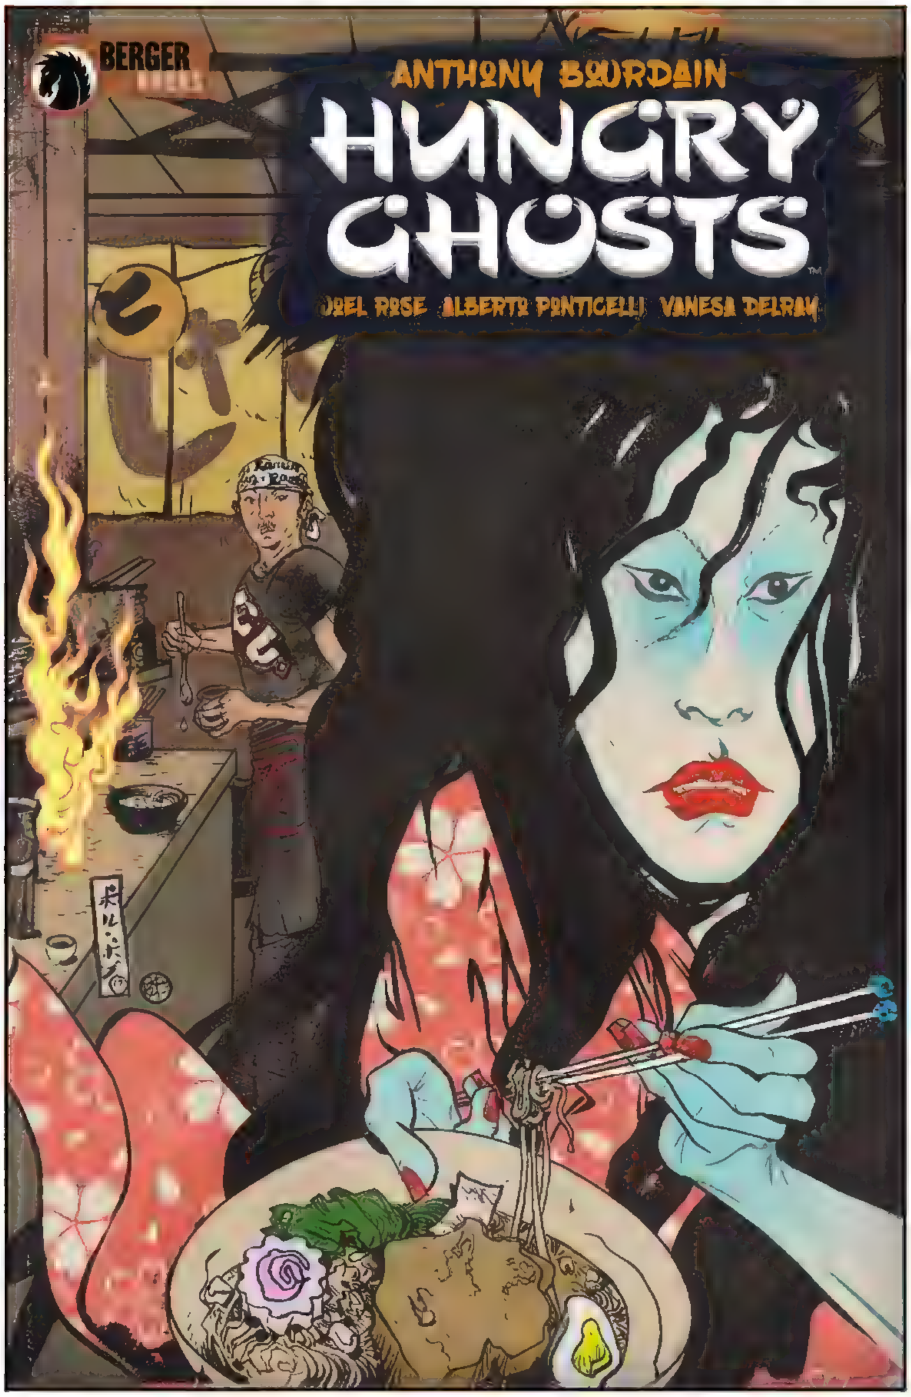
Our other new series include *Mata Hari* by Emma Beeby, Ariela Kristantina, and Pat Masioni, and *The Seeds* by Ann Nocenti and David Aja. In addition, we have an oversized edition of Dave Gibbons's Eisner-Award winning opus, *The Originals*, featuring 32 pages of new material.

Look for a second wave of compelling books later in 2018, and onward. It's just me editing, so it will be a select, curated line or else I'll never see daylight again!

Thank you so much for your continued support and I look forward to working with you again.

Best always,

Karen Berger



PRAISE FOR ANTHONY BOURDAIN:

"Bourdain has insight, access, and good taste, and he's a naturally engaging writer."
—The New York Times

"What really makes Bourdain's writing sing is his complete understanding that food is not a subject for aesthetes. It's a belly thing, not a head thing."
—The Guardian

KITCHEN NIGHTMARES!

HUNGRY GHOSTS #1 (OF 4)

Anthony Bourdain (W), Joel Rose (W), Alberto Ponticelli (A), Vanesa Del Rey (A), José Villarrubia (C), and Paul Pope (Cover)

On sale Jan 31	FC, 32 pages
$3.99	Miniseries

On a dark, haunted night, a Russian oligarch dares a circle of international chefs to play the samurai game of 100 Candles—where each storyteller spins a terrifying tale of ghosts, demons and unspeakable beings—and prays to survive the challenge.

Inspired by the Japanese Edo period game of *Hyakumonogatari Kaidankai*, *Hungry Ghosts* reimagines the classic stories of yokai, yorei, and obake, all tainted with the common thread of food.

First course: With bad consequence, a ramen chef refuses to help a beggar, and a band of pirates get more (and less) than they were bargaining for after their encounter with a drowning woman turns ghastly.

Hungry Ghosts is cooked up by the infamous author and chef, Anthony Bourdain (*Kitchen Confidential*, Emmy-Award winning TV star of *Parts Unknown*) and acclaimed novelist Joel Rose (*Kill, Kill, Faster, Faster*, back again from their *New York Times* #1 best seller, *Get Jiro!*). Joining them this issue are stellar artists Alberto Ponticelli and Vanesa Del Rey, with amazing color by Jose Villarrubia, and a drop-dead cover by Paul Pope.

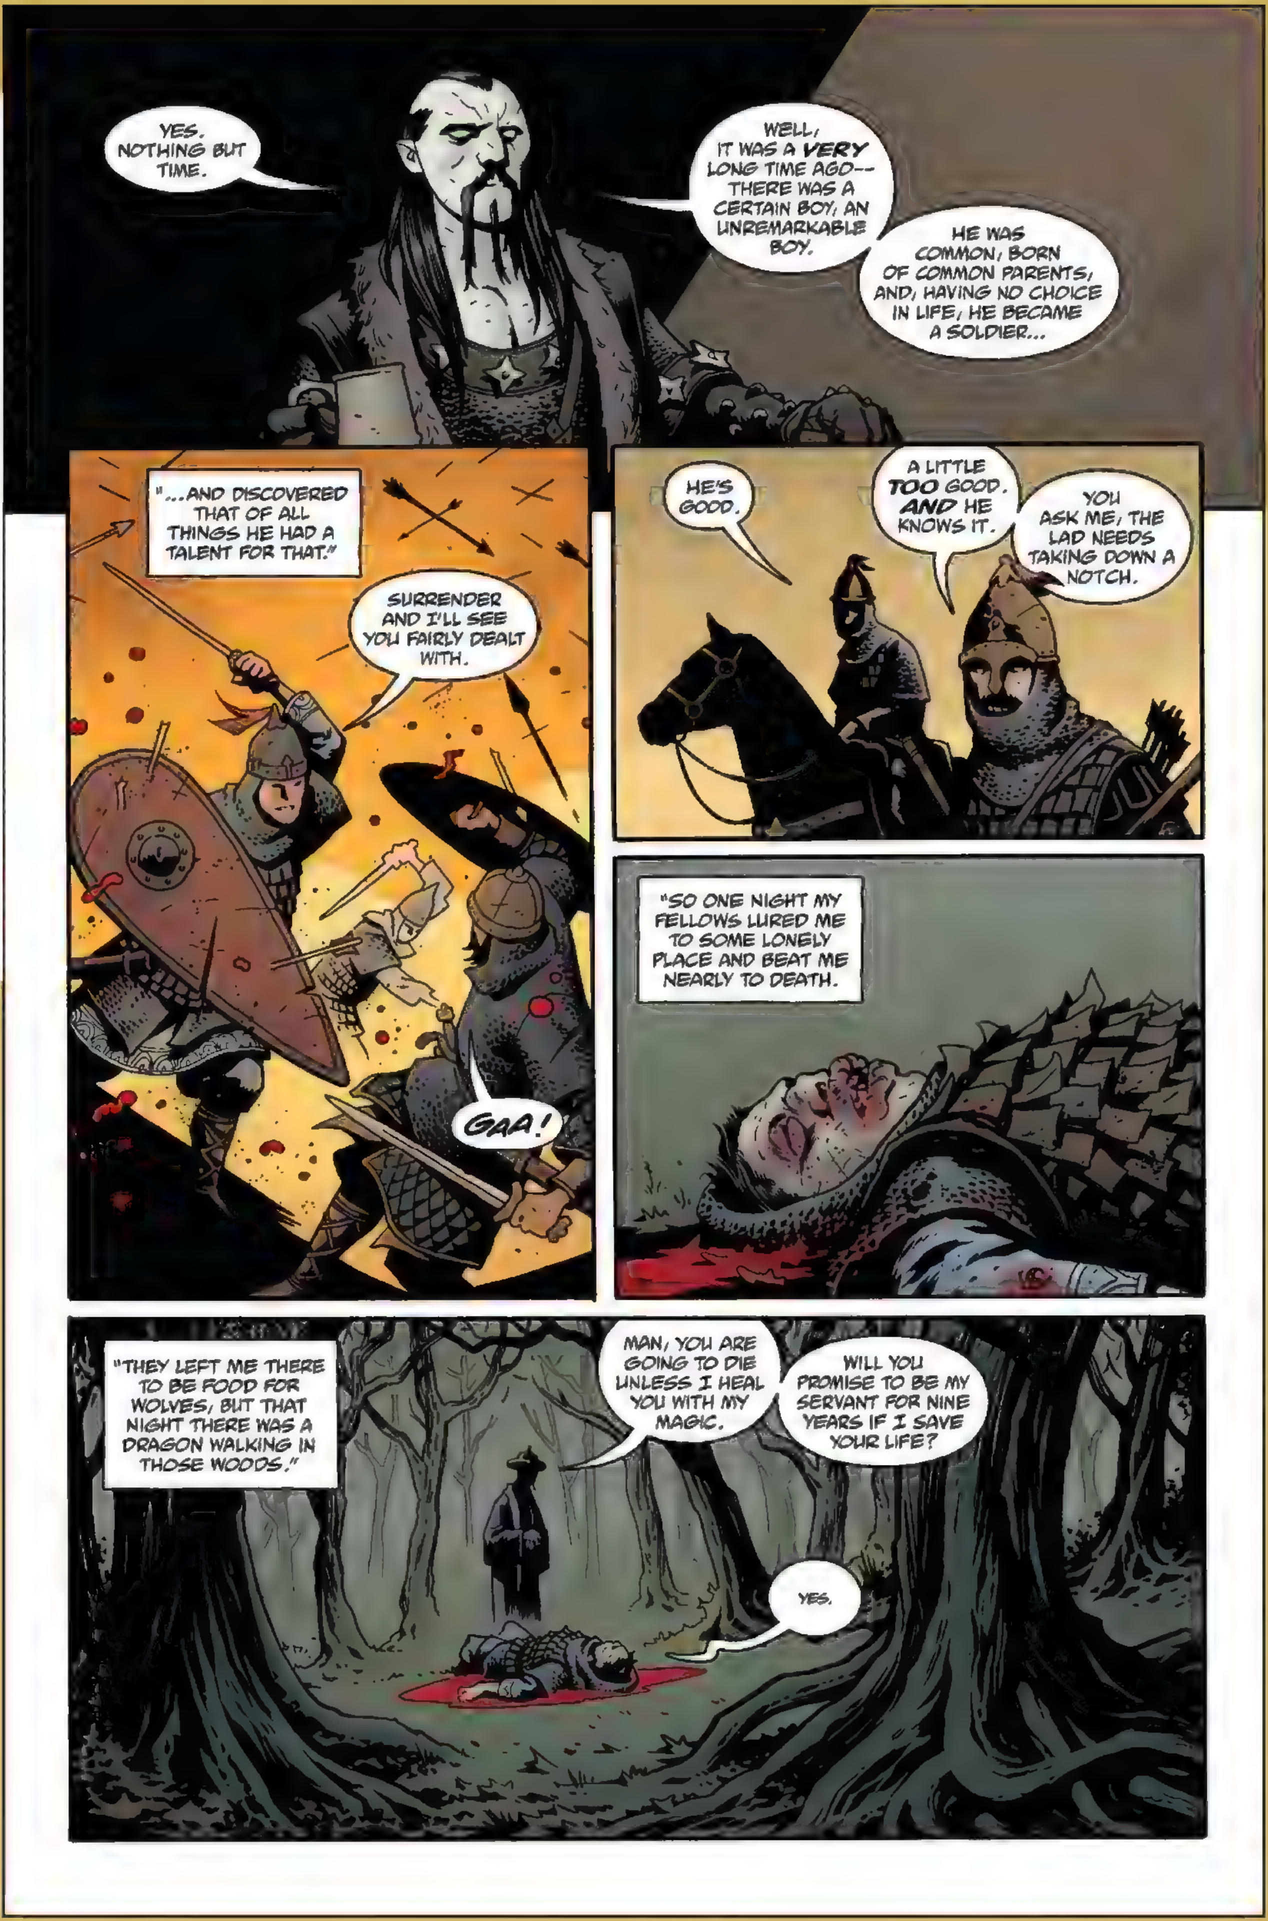
AH...
IT'S A LONG STORY.
TO TELL IT PROPERLY, I WOULD HAVE TO BEGIN AT THE BEGINNING.
PAL, I'VE GOT NOTHING BUT TIME.



YES. NOTHING BUT TIME.
WELL, IT WAS A VERY LONG TIME AGO-- THERE WAS A CERTAIN BOY, AN UNREMARKABLE BOY.
HE WAS COMMON, BORN OF COMMON PARENTS, AND, HAVING NO CHOICE IN LIFE, HE BECAME A SOLDIER...

Thing is, there's a danger far greater than cub scouts robbing banks . . . oh my! Across space and time lies a far greater threat, not only to Brick City but to the world! Holy crap! Written by TOM KING • Art and cover by JASON FABOK

Bonus story written by LEN WEIN • Bonus story art by KELLEY JONES

Tom King and Jason Fabok pay tribute to the legendary creators of Swamp Thing, writer Len Wein and artist Bernie Wrightson, as they join forces for an earth-shattering Swamp Thing passion project!

In this new, square-bound one-shot, Swamp Thing is out of his element as he shepherds a lost boy through a blinding blizzard and other hazards of a strange, frozen tundra. In this touching and harrowing tale of survival, the pair must navigate countless threats throughout a bewildering terrain—with a bloodthirsty snow monster hot on their heels. But how long can they rely on each other? Separated from the Green and stripped of his powers in this dead world, Swamp Thing struggles to fight for their lives and deliver the boy to safety. Disoriented and decaying, Swamp Thing's fading understanding of his surroundings forces the duo to confront their desperation and uncover the true identity of the snow monster that hunts them.

In addition, this special features the final Swamp Thing story from the monster's co-creator, Len Wein. Originally intended as the start of a new series, it is presented here both in its original script form and with art by Kelley Jones.

DC SUPER HERO GIRLS: DATE WITH DISASTER TP

Written by SHEA FONTANA • Art and cover by YANCEY LABAT

From the highly successful DC SUPER HERO GIRLS line of original graphic novels comes the latest title, starring Batgirl!

Catwoman is out on the prowl one night when *kaboom!* An explosion at S.T.A.R. Labs rouses the heroes from their slumber. Star students Batgirl and Lois Lane both know the lab incident is fishy, and they meet later to share clues. But nothing could've prepared Batgirl for what they see next: Batgirl's dad out on a date! Batgirl is grossed out until her friends convince her that dads get lonely, too. And with the school dance coming up and everyone pairing off—heck, even Principal Waller has a date with a guy called Deadshot—maybe it'll be okay. The girls place a personal ad for Commissioner Gordon while they delve deeper into the mystery surrounding the explosion, but they're about to discover more than who is behind the attack on S.T.A.R. Labs. Could it be that posting an ad looking for dates for the commissioner is like advertising catnip for criminals?

MOTHERLANDS #1

Written by SI SPURRIER • Art by RACHAEL STOTT • Cover by ERIC CANETE • Variant cover by KIM JUNG-GI

Retailers: This issue will ship with two covers. Please see the order form for details.

In a crazed future where unhinged technologies and interconnected parallel Earths have given rise to a spectacular class of super-criminal, the most beloved celebrities aren't actors or rock stars, but the bounty hunters who traverse an exotic multiverse in search of impossible prey! But when the spotlight-shunning, strait-laced tracer known as Tab finds herself in an ultra-violent race for her greatest prize yet, she's forced to work with her greatest enemy, the only person capable of IDing him: her own elderly, overbearing and hypercritical mother, who was once the most fabulous and celebrated bounty hunter of them all.

A sci-fi action comedy blacker than dragon s***, MOTHERLANDS is the dimension-hopping, criminal-blasting story of two extraordinary women written by Si Spurrier (SUICIDE SQUAD, *The Spire*) with art by Rachael Stott (*Star Trek/Planet of the Apes, Sex Criminals*).

The award-winning graphic novel series adapting one of crime-fiction's most famous and hard-boiled characters continues in this beautifully illustrated and stylized masterpiece. Parker, whose getaway car crashes after a heist, manages to elude capture with his loot by breaking into an amusement park that is closed for the winter. But his presence does not go unnoticed–a pair of cops observed the job and its aftermath. But rather than pursue their suspect... they decide to go into business for themselves, with the help of some "business associates." From then on it's a game of cat and mouse, one played out through the closed rides of the abandoned carnival... a game that slowly starts to favor the mouse. "Pregnant Pauses and Campout Makeouts" Dominic Price is a college-age cutie pie who just wants to spend the semester making out with his boyfriend, Taylor, in between rounds of *TurboLight Fighter* and maintaining a solidly passable 3.2 GPA. His mom, Octavia, formerly a badass action-movie-quality bounty hunter, didn't pay his tuition, because she had to get back in the business and spend 40K on black market weapons and body armor. And she's bringing Dominic with her, because the alternative is making lattes for a semester, and he'd rather die. Good thing in mom's line of work, dying *is* an option!

THE GOAT GETTERS: JACK JOHNSON, THE FIGHT OF THE CENTURY, AND HOW A BUNCH OF RAUCOUS CARTOONISTS REINVENTED COMICS

writer/cover **Eddie Campbell**

With more than 500 period cartoons, ***The Goat Getters*** illustrates how comics were developed by such luminaries as **Rube Goldberg**, **Tad Dorgan**, and **George Herriman** in the sports and lurid crime pages of the daily newspaper. This wild bunch of West Coast-based cartoonists established the dynamic anatomy and bold, tough style that continue to influence comics today, as well as their own goofy slang that enriched the popular lexicon.

The Goat Getters also captures early twentieth century-history through the lens of the newspaper comics: the landmark 1910 boxing match in Reno, Nevada between Jim Jeffries, the "Great White Hope," and Jack Johnson, the first African-American heavyweight champion; the nationwide race riots that followed; the San Francisco graft trials that culminated in the shooting of the Federal Prosecutor; and the trial of Harry Thaw for the murder of architect Stanford White, a crime of passion that centered on Thaw's wife, show-girl Evelyn Nesbitt Thaw—all were venerated or vilified by Nell Brinkley, Jimmy Swinnerton, and their fellow directors of the ink and newsprint stage.

"THE FURTHER ADVENTURES OF NICK WILSON"
From Eisner and Emmy-winning writers! For a few years in his early 20s, Nick Wilson had super powers and all the acclaim associated with them. When those powers vanished, so did his fame, sending him from national hero to late-night punchline. By the time we pick up his story, he is not yet 30 and barely an answer in a trivia contest.

Faced with a life in a rear-view mirror full of lost powers, faded glory, former enemies, ex-girlfriends, and forgotten grudges, Nick struggles to figure out who he is today. Packing on an extra 20 pounds and peering through a medicinal marijuana haze, he is trying to build a future when all that's left is just a man who hasn't been super for a very long time.

These are **THE FURTHER ADVENTURES OF NICK WILSON.**

OVERSIZED FIRST ISSUE!
Chocolate, vanilla, existential horror, drug addiction, musical fantasy...there's a flavor for everyone's misery.

ICE CREAM MAN is a genre-defying comic book series featuring disparate "one-shot" tales of sorrow, wonder, and redemption. Each installment features its own cast of strange characters, dealing with their own special sundae of suffering. And on the periphery of all of them, like the twinkly music of his colorful truck, is the Ice Cream Man—a weaver of stories, a purveyor of sweet treats. Friend. Foe. God. Demon. The man who, with a snap of his fingers—lickety split!—can change the course of your life forever.

It started with Dr. Sebastian Ghislain—rogue psychotherapist / covert op / DJ. Tasked with creating a counterintelligence unit, he turned to those long thought useless to society: patients with multiple personality disorder. These agents became known simply as Triplets. Misguided? Yeah. Impractical? Sure. But did it work? Absolutely not!

Now someone has located each Triplet and created a band of ridiculously disturbed but highly effective assassins. Our only hope? A Triplet known as Cowboy Ninja Viking. We are so screwed!

It's hard to make an honest living in a land brimming with magic and mystery, and treasure hunter Luvander is tired of being a penniless adventurer. Ever in search of gold and glory, she sets off for a fabled dungeon, "the Dragon's Maw," an ancient labyrinth at the bottom of which slumber endless wealth...or certain doom!

A loner by nature, Luvander is forced to team up with a group of scraggly adventurers, each hoping to find a treasure of their own in the forbidden tomb. There is Prince Aki, of the Scarlet Sands Empire, anxious for his first taste of adventure, yet blind to the consequences; his royal Shadow, Koro, whose very honor hangs in the balance of her prince's quest; and Dorma Ironweed, a stocky young dwarf whose journey will take her deeper into the darkness than she ever dared to tread.

What starts out as a road to riches becomes the first step on an epic journey to destiny, for Luvander holds a secret in her heart that will shatter the chains of fate and bring light to a world encroached upon by an ancient darkness.

Writer **SEBASTIAN GIRNER** (**SHIRTLESS BEAR-FIGHTER!**) and artist **GALAAD** are proud to present **SCALES & SCOUNDRELS**, an exciting new fantasy adventure from Image Comics, for scoundrels of all ages!

STORY / ART / COVER......MATT WAGNER

JANUARY 17	32 PAGES	FC	T+	$3.99

MATT WAGNER's classic saga of comics fantasy continues in the third and final part of his epic **MAGE** trilogy. More than a year has passed since Kevin Matchstick's nearly fatal encounter with an ancient Goddess of the Underworld. Kevin and his family have moved farther north in an effort to escape the notice of his enemies and are gradually settling into their new life once again. More than ever, the erstwhile hero is determined to forswear his role as the Pendragon and avoid calling on the power of Excalibur. But his determination is put to the test with the sudden and unexpected arrival of a familiar face from Kevin's adventuresome past.

MAGE: THE HERO DENIED is a 15-issue limited series climaxing in a double-sized finale. Considered by many to be creator **MATT WAGNER**'s masterpiece, **MAGE** has been a perennial favorite with old and new readers alike for nearly three decades.

TERRY MOORE CELEBRATES 25 YEARS

STRANGERS IN PARADISE

2018 marks the 25th Anniversary of Terry Moore's comic book debut with his epic saga, *Strangers In Paradise*. The groundbreaking series introduced us to the complicated friendship of Francine and Katchoo and a diverse cast of characters who won our hearts. The series ended in 2007 after 107 issues and has been collected in 19 trade paperbacks, 10 hardcover editions, 6 Pocket Editions and a 2400 page Omnibus box set. And, that's not including the 19 foreign language editions worldwide. SiP, as fans call it, has garnered numerous industry awards including the Eisner Award for Best Serialized Story and the National Cartoonists Society Comic Book Reuben Award.

After SiP, Moore created *Echo*, *Rachel Rising*, and *Motor Girl*, but one question followed him wherever he went: Will you ever return to Strangers In Paradise? Finally, we have the answer: Yes.

Beginning in January, Strangers In Paradise returns with a new story that will be released as a ten issue series throughout the year. "I've always known I would return to SiP," says Moore, "but I wanted to wait for the right time. The 25th Anniversary is perfect, of course. I've never stopped thinking about Francine and Katchoo. Over the years I'd draw them in sketches and imagine what they were doing that day and how their friends and family were coping with the changing world. For the reader, SiP was a story that happened several years ago but, for me, the story never ended... I just stopped chronicling their adventures for awhile."

Francine and Katchoo fought hard for their little piece of paradise. Now somebody is threatening to destroy it and Katchoo is determined to stop them. If you know Katchoo, you know that "find" means there is nowhere to hide and "stop them" means bad things happen. Or, as one character in the story puts it, "The bitch is back."

**MY FRIEND DAHMER GN
(MOVIE TIE-IN EDITION)**
(W/A) Derf Backderf (CA) Photo
You only think you know this story. In 1991, Jeffrey Dahmer, the most notorious serial killer since Jack the Ripper, seared himself into the American consciousness. To the public, Dahmer was a monster who committed unthinkable atrocities. To Derf Backderf, Dahmer was a much more complex figure: a high school friend with whom he had shared classrooms, hallways, and car rides. In *My Friend Dahmer*, writer-artist Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche-a shy kid, a teenage alcoholic, and a goofball who never quite fit in with his classmates. What emerges is a Jeffrey Dahmer that few ever really knew, and readers will never forget. (STL067809) **Item has been previously solicited in *PREVIEWS Plus*.** (C: 0-1-0)

VOLTRON LEGENDARY DEFENDER VOLUME 2: THE PILGRIMAGE

Recommended by Matthew Demory

The new *Voltron* series on Netflix has really hit its stride with two seasons under its belt. As a fan of the original I was hyped to see Voltron starting to get some of the attention my other childhood shows like Transformers and GI Joe have already enjoyed.

The new show did a good job finding a balance between action and world building. They introduced us to the team and we got a chance to see them learn to trust each other. The end reward being a team that could pilot their lions, merge into a giant robot, and slice bad guys with a gigantic sword while flying around in space.

The comic series by Lion Forge Comics feels like a natural extension from the Netflix show from the art work on the page to the writing and that is due in no small part to writers Tim Hedrick and Mitch Iverson. Tim and Mitch are writers for the show and through their combined work the voices for each character feel exactly the same in the comic as they do in the TV show creating a seamless transition from screen to print.

If you're a fan of the new TV series or the original be sure to check out the *Voltron Legendary Defender Volume 1* (in stock now: NOV161677) and volume 2: *The Pilgrimage*, coming to comic shops in January 2018 from Lion Forge Comics.

THE MUTTS SPRING DIARIES TP

(W/A/CA) Patrick McDonnell

Yes! Mooch, Earl, and all their endearing *Mutts* friends return in this fourth *Mutts* collection for kids! It's been a long, cold winter, and Earl and Mooch are looking forward to shmelling the flowers! Spring is the season of new beginnings. The birds are singing fresh concertos they've been working on all winter long. The caterpillars are dreaming of butterfly flight. And the bears could use that first cup of coffee after their three-month hibernation. Celebrate spring with the *Mutts* gang as they go on egg-decorating sprees, dodge playful rain showers, and welcome home the birds from their winter vacation. You'll find that Mooch and Earl's feathered friends have some surprising secrets, and you won't want to miss out on the springtime fun. (STL067313) (C: 0-1-0)

WAR STORIES VOLUME 5

Trade Paperback: $19.99

Cover & Art: Thomas Aria • **Writer:** Garth Ennis

MR, Color, 160pp: The war rumbles on in this fifth collection of Garth Ennis' masterpiece. Included are: the three part "Send A Gunboat." The men of the Royal Navy's gunboat squadrons defend England's coast against Nazi raiders. The little boats are fast, heavily-armed and deadly—and terribly vulnerable. And the enemy is never far away, as the commander of one vessel finds when his German opposite number takes a dangerous interest in him and his crew. Also the four-part "Vampire Squadron." In the dark days of winter, 1940, a handful of pilots show up at a remote Royal Air Force base in rural England. Some are British, some are Poles, Czechs, French, Australians, Canadians—the orphans of Nazi-occupied Europe and the children of the Empire. No other squadron wants them; they don't even like each other much. Which is unfortunate, because they're about to take to the deadly night skies at the height of the Blitz—Hitler's dreadful aerial onslaught on the cities of Britain. Collecting War Stories #16-22.

$7.99 | 64 page graphic novella | full color | Mature

A group of isolated shieldmaidens protect their village against a tide of men who think they can take their land from them. Vif takes her band of women off viking to quell the advances of a loitering mystical scumbag, Bjarte. But some battles rage on inside us long after the field is empty, and some opponents won't ever stay down. Eternal is a haunting story of how vulnerable you make yourself when trying to protect everything around you.

This oversized *bande dessinee* graphic novella is a love letter to brutal violence and eternal emotions. With hyperdetailed art and gorgeous fluid motion from artist **Eric Zawadzki** [hot off **THE DREGS**], this story will be one of the most beautiful and heartbreaking things you will read this year. Written by **Ryan K Lindsay**, known for marrying emotion to genre in **BEAUTIFUL CANVAS** and the award winning **NEGATIVE SPACE**, this self-contained story is aimed to be a boutique item for your shelves, and a gateway gift to others you know and love.

CLANDESTINO, THE COMPLETE COLLECTION

written & illustrated by AMANCAY NAHUELPAN

$14.99 | 208 pages | full color | Mature

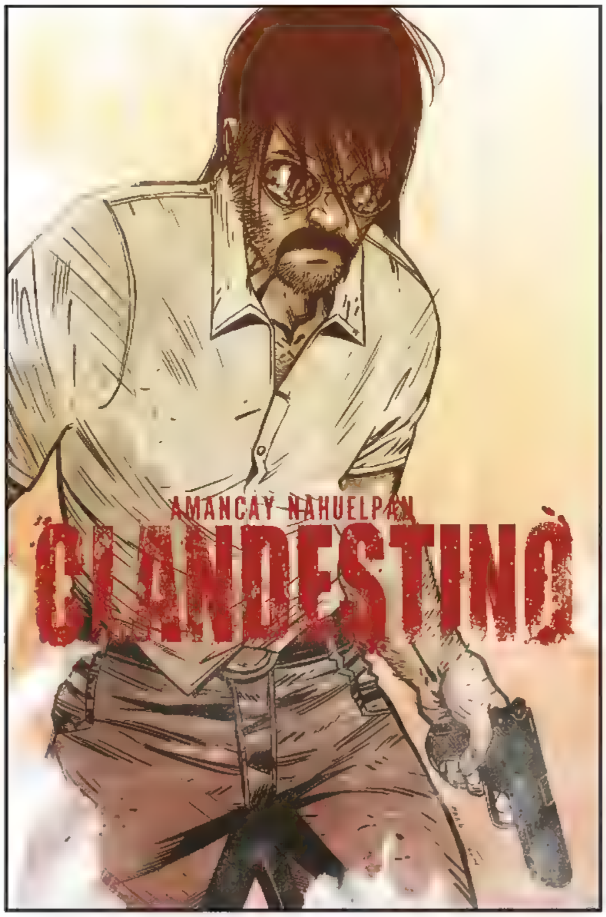
Written, penciled, inked, colored, and lettered by **Amancay Nahuelpan** [**CALEXIT, YOUNG TERRORISTS**], CLANDESTINO is a tour-de-force of a hyperstylized, splatterpunk, ultraviolent revolution.

The country of Tairona became a no man's land after the military coup. Guerrrillas were formed across the lands, and rebels unified against the dictator to resist the regime. A high-octane, action-packed thrillride about freedom fighters, their love of country, and a rebellion to seize liberty from tyranny!

"Fast-paced action informed by real world political concerns... Amancay Nahuelpan is a huge force to be reckoned with." -**Emma Houxbois**, *The Rainbow Hub*

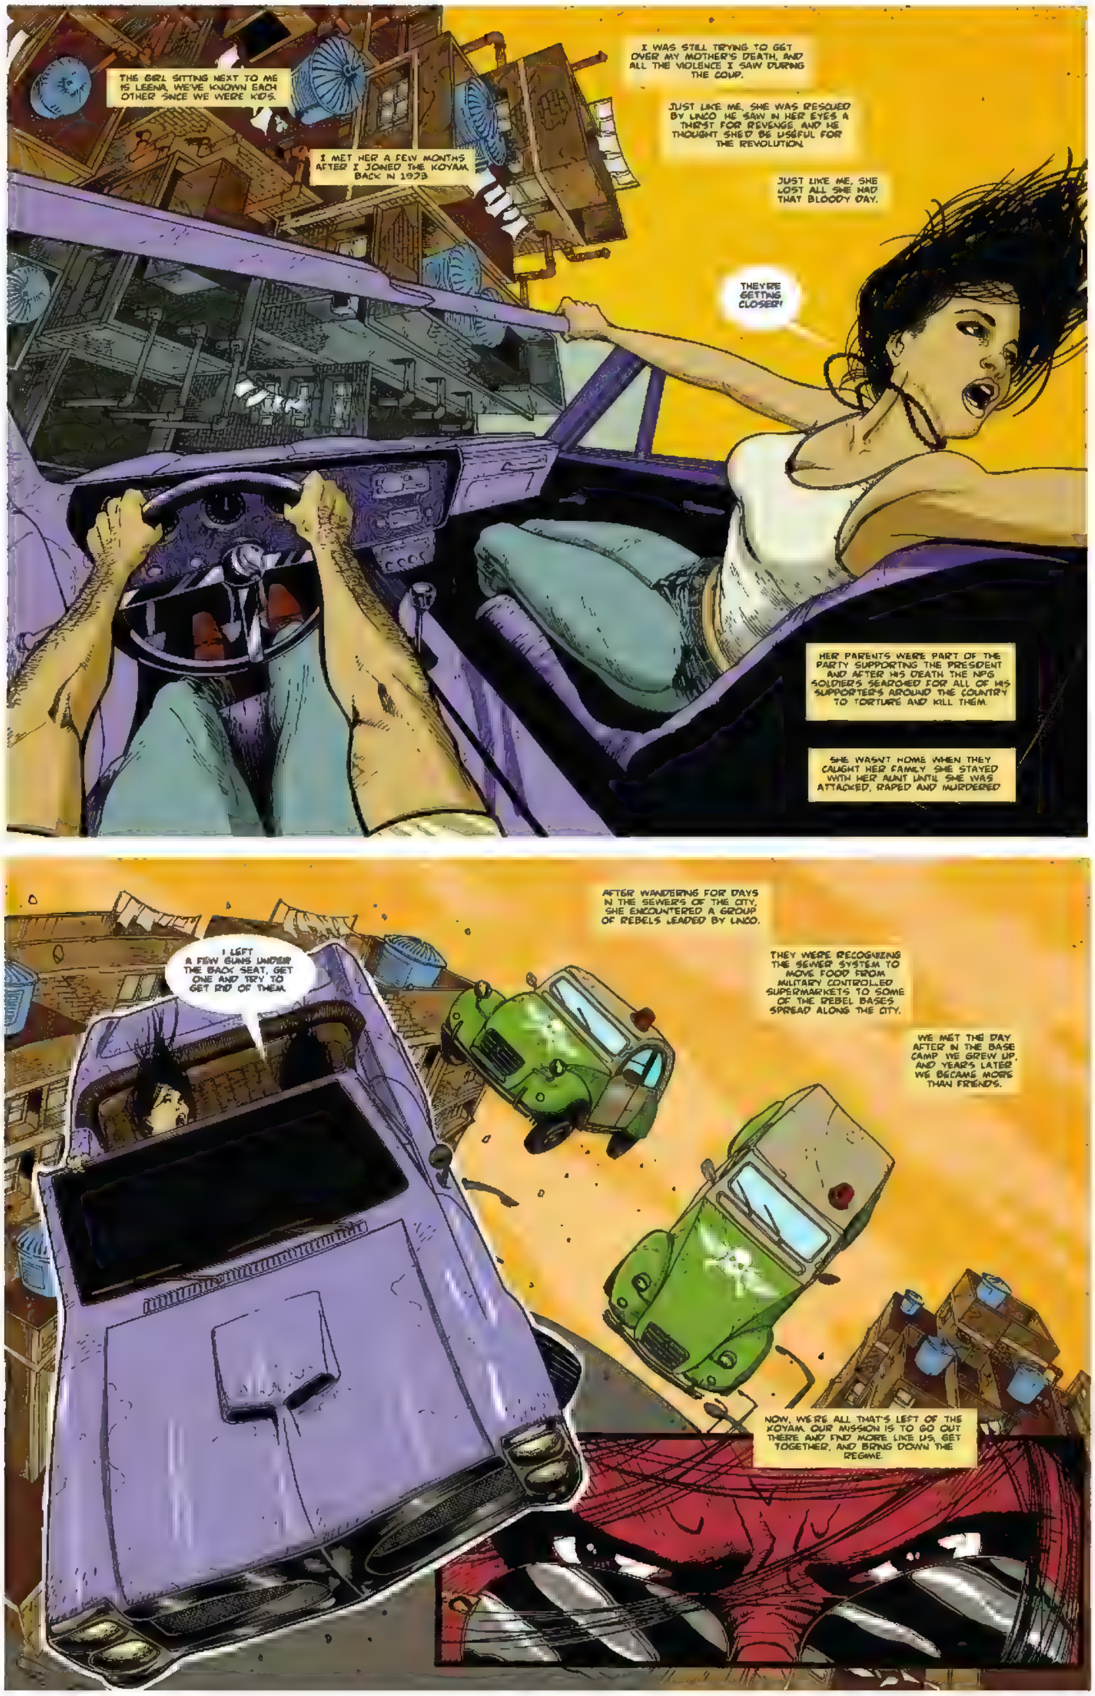
"Nahuelpan's astute and ultraviolet CLANDESTINO reads like a grindhouse Zorro movie written by Noam Chomsky. However, beneath the entertaining gunplay and pyrotechnics, the ghost of Pinochet oozes from these pages like a contact poison. Essential reading." -**Alex Paknadel** *(Arcadia)*

Collects issues 1-6.



Sneak peek at *CLANDESTINO: THE COMPLETE COLLECTION*

By Amancay Nahuelpan.



THE GIRL SITTING NEXT TO ME IS LEENA, WE'VE KNOWN EACH OTHER SINCE WE WERE KIDS.
I MET HER A FEW MONTHS AFTER I JOINED THE KOYAM BACK IN 1973
I WAS STILL TRYING TO GET OVER MY MOTHER'S DEATH, AND ALL THE VIOLENCE I SAW DURING THE COUP.
JUST LIKE ME, SHE WAS RESCUED BY LINCO HE SAW IN HER EYES A THIRST FOR REVENGE AND HE THOUGHT SHE'D BE USEFUL FOR THE REVOLUTION.
JUST LIKE ME, SHE LOST ALL SHE HAD THAT BLOODY DAY.
THEY'RE GETTING CLOSER!
HER PARENTS WERE PART OF THE PARTY SUPPORTING THE PRESIDENT AND AFTER HIS DEATH THE NPG SOLDIERS SEARCHED FOR ALL OF HIS SUPPORTERS AROUND THE COUNTRY TO TORTURE AND KILL THEM.
SHE WASN'T HOME WHEN THEY CAUGHT HER FAMILY SHE STAYED WITH HER AUNT UNTIL SHE WAS ATTACKED, RAPED AND MURDERED
I LEFT A FEW GUNS UNDER THE BACK SEAT, GET ONE AND TRY TO GET RID OF THEM.
AFTER WANDERING FOR DAYS IN THE SEWERS OF THE CITY, SHE ENCOUNTERED A GROUP OF REBELS LEADED BY LINCO.
THEY WERE RECOGNIZING THE SEWER SYSTEM TO MOVE FOOD FROM MILITARY CONTROLLED SUPERMARKETS TO SOME OF THE REBEL BASES SPREAD ALONG THE CITY.
WE MET THE DAY AFTER IN THE BASE CAMP WE GREW UP, AND YEARS LATER WE BECAME MORE THAN FRIENDS.
NOW, WE'RE ALL THAT'S LEFT OF THE KOYAM. OUR MISSION IS TO GO OUT THERE AND FIND MORE LIKE US, GET TOGETHER, AND BRING DOWN THE REGIME.

DREAM OF THE BUTTERFLY VOL. 1: RABBITS ON THE MOON

Recommended by Jim Fallone

What if Studio Ghibli produced a *Kamandi* movie? What if you mashed up *Alice in Wonderland* with *Planet of the Apes*? Well I think it might look something like Lion Forge's *Dream of the Butterfly*.

While lost in a snowstorm, our spunky heroine Tutu stumbles upon a strange city at the bottom of a lost valley. Immediately she is beset on by the secret police, who just happen to be rabbits, for it seems the arrival of a little girl has caused great panic and fear... Children are illegal! To keep an eye on her the Emperor of the valley orders her placed under a kind of house arrest with "host family" who force her to work in a factory. Tutu now finds herself trapped in a world that seems in perpetual winter where heat is created by massive hamster wheel farms and ritualistic festivals are held to try and lure back spring. Soon she realizes she must quickly hatch a plan to escape. Befriending a talking cat she learns of a kite-thief who just might have the secret to finding her way back home.

French writer Richard Marazano was discovered by Moebius who got him his start in the industry. Marazano at times calls up echoes of Studio Ghibli, *Wizard of Oz* and *V For Vendetta* and weaves them seamlessly into his storytelling. Chinese artist Luo Yin's work is bright and interesting and propels the narrative forward at an energetic pace. Fans of *Spirited Away* will find much to like here.

At last! The epic story you've been dying to see is here, a galaxy and timeline-spanning saga bringing the two very different (and yet so very much alike) crews of the Battlestar Galactica's series together. But don't expect this historic meeting of heroes to be friendly: they have no idea why they have been brought together, or what the result of this unprecedented meeting is. And it starts here as the legendary Commander Cain and the crew of the Pegasus are revealed to be alive, and have encountered an individual they never thought they would meet: the last Cylon. All this has happened before, but there will NEVER be anything like it again!

PETER DAVID TALKS *BATTLESTAR GALACTICA VS. BATTLESTAR GALACTICA*

Where you a fan of BSG prior to taking on this series?
Very much so. I admit I was indifferent to the original series but I loved Ron Moore's revamped version. Then in preparing to write his one, I re-watched the entire first series and was actually, with the distance of years, very impressed by what they were able to do with both the stories and the special effects.

What drew you to this project?
The concept of writing the very first series that would cross over the two BSGs. That was definitely a one-of-a-kind lure.

BSG vs BSG has an incredibly unique and somewhat existential premise. Where did you find your inspiration for this story?
As they've said in their holy writings, all of this has happened before and all of it has happened again. In terms of the mechanics for bringing the two of them together, I admit it was a somewhat routine choice: a wormhole. But the reasons before it and the reasons behind it are utterly unique and it rests with their common enemy, the Cylons. You see: we've never actually seen a Cylon, at least not in the original series. The Cylons were a lizard-like race that created the robotic beings and then wiped out a thousand or so years earlier. Well, as it happens...one survived. And it kind of goes from there.

As one of the most renowned science fiction writers, what does your experience writing novels such as Star Trek and Babylon 5 bring to the BSG universe?
I really don't think of myself as a science fiction writer, must less renowned. I think of myself as a VIP--a Vaguely Important Person. Ninety nine percent of the country has zero idea who I am, and one percent of them gets excited in my presence. But I appreciate the description. As for writing novels steeped in Trek and B5, they really don't bring much to this book any more than the fact that I actually wrote a BSG novel as well, called "Sagittarius is Bleeding." All that my previous writing does is prepare me to do a better job on the next project that I undertake, because writing is a perpetual learning process.

BATTLESTAR GALACTIA VS. BATTLESTAR GALACTICA

WRITTEN BY

PETER DAVID

LEGENDARY WRITER OF *X-FACTOR* AND *THE INCREDIBLE HULK*

"With all deference to Star Trek, Firefly... hell, even Space Cases... I firmly believe the recent Battlestar Galactica series is the best sci-fi series ever. And in reviewing the original series for the first time in decades, I was amazed at how it held up far better than I ever could have believed. Forty years away from it being dismissed as a Star Wars rip-off, the first BSG had a style, story, and characters all its own and deserved far more than the truncated run it received. So, I am thrilled to have the opportunity to be a part of this truly historic meeting, which was indeed set up in the new series: All of this has happened before, and it will happen again"

Spirited teenager Domino Blackthorne Drake was just a normal girl… until she stumbled upon an alien artifact, acquired uncanny power, and became a beacon for intergalactic trouble! With her tabby cat Cap'n Kidd in tow, Domino joins the motley crew of the Starshadow – a spacefaring pirate ship captained by the charismatic and fearless Raader. Domino embarks on a cosmic odyssey to save her kidnapped parents and overthrow the evil Colonizer Empire.

Imagine a young, bright-eyed girl on a galaxy-wide escapade, full of high-energy antics straight out of Guardians of the Galaxy and Pirates of the Caribbean, and you've got Swords of the Swashbucklers!

"I am both humbled by and extremely grateful for the tremendous outpouring of support the Swords of the Swashbucklers Kickstarter launch received earlier this year, and am excited to see these characters being published again for fans old and new. My participation in telling the adventures of Raader, Domino, and the gang hold a very special place in my memory, and it is extremely gratifying to discover they are so fondly remembered by others as well. Thank you to everyone who has had a hand in putting this launch together, and thank you to the many people who have helped make this revival happen."
– JACKSON "BUTCH" GUICE (artist, co-creator, *Swords of the Swashbucklers*)

"After more than a quarter of a century out of print (and out of sight), the epic space opera has returned in a gloriously remastered edition AND in a new series that will continue the adventures of Domino Drake and the crew of the Starshadow! The hope is that this endeavor will introduce the Mantlo/Guice masterpiece to a whole new generation of fans. On behalf of Bill Mantlo, I'd urge everyone to carry this wondrous story far into the future by signing on for the journey through the purchase of these books. Not only will you get to enjoy a magnificent tale, you will also be helping support Bill Mantlo finally being able to improve his quality of life, and having the opportunity to experience the joy of knowing just how loved and respected he is by the comic book community."
– MIKE MANTLO (brother of *Swords of the Swashbucklers* co-creator, Bill Mantlo)

"Swords of the Swashbucklers has long been a favorite of mine and it remains one of the great high concepts in all of comics, which is unsurprising when you consider that Bill Mantlo and Butch Guice were the creative forces behind it. I'm humbled to continue their work and looking forward to introducing this remarkable comic to a whole new audience."

RED WINTER
Anneli Furmark

RED WINTER GN

(W/A/CA) Anneli Furmark

In an isolated northern town, Siv, a married mother of three, falls in love with a young communist, Ulrik. Though their affair takes place in the shadowy winter, Siv's children witness her affair without comprehending its reality. Anneli Furmark's delicate hues of blue and orange heighten the sublime qualities of the cinematic subarctic landscape and provide the nuanced backdrop in which Siv and Ulrik drift through the season, musing on their love, boasting of their ideals, dreaming of a new beginning, all the while oblivious to their actions and the inevitable consequences. KITARO VOL. 3: THE GREAT TANUKI WAR

(W/A/CA) Shigeru Mizuki

Kitaro and the Great Tanuki War features more adventures of Shigeru Mizuki's beloved yokai boy. In the epic title story, Kitaro battles the *tanuki*, a Japanese animal that features prominently in the country's *yokai* legends. The furry beasts draw on the power of the blood moon to awaken the monstrous catfish that lives in the depths of the Earth. The twisting of the catfish causes earthquakes that threaten to destroy all of Japan. With his *yokai* allies captured, Kitaro is the only one left who can take on the great tanuki and his army. Will he be up for the challenge? (STL039477) (C: 0-0-1)

STAFF PICK
See page 433

Kitaro the Vampire Slayer is the fifth volume in Shigeru Mizuki's bizarre stories about a *yokai* boy and his entourage of otherworldly friends. One of the most popular *Kitaro* tales, the title story pits Kitaro and his family against a Beatles-inspired mop-topped, guitar-playing vampire named Erit and his castle of horrors. In an unexpected twist — spoiler alert! — Kitaro meets his demise, but even death is hardly enough to keep our favorite *yokai* boy down. For fans of quirky horror, *Kitaro the Vampire Slayer* is not one to miss! (STL068647) (C: 0-0-1)

NonNonBa is the definitive work by acclaimed Gekiga-ka Shigeru Mizuki, a poetic memoir detailing his interest in *yokai* (spirit monsters). Within the pages of *NonNonBa*, Mizuki explores the legacy left him by his childhood explorations of the spirit world, explorations encouraged by his grandmother, a grumpy old woman named NonNonBa. *NonNonBa* is a touching work about childhood and growing up, as well as a fascinating portrayal of Japan in a moment of transition. STARS of the MONTH

KITARO VOL. 1: THE BIRTH OF KITARO GN

(W/A/CA) Shigeru Mizuki

The Birth of Kitaro collects seven of Shigeru Mizuki's early and beloved Kitaro stories, making them available for the first time in English, in a kid-friendly format and price point. With more than 150 pages of spooky and often funny all-ages comics about the titular yokai boy, *The Birth of Kitaro* is the perfect introduction to Mizuki's most popular series, which has won the hearts of Japanese children and adults for more than half a century! KITARO VOL. 2: KITARO MEETS NURARIHYON GN

(W/A/CA) Shigeru Mizuki

Kitaro Meets Nurarihyon is the second volume in the adventures of Shigeru Mizuki's bizarre *yokai* boy Kitaro and his gaggle of otherworldly friends. These seven stories date from the golden age of Gegege no Kitaro, when Mizuki had perfected the balance of folklore, comedy, and horror that made Kitaro one of Japan's most beloved characters. In addition to more than 150 pages of Mizuki's all-ages monster fun, *Kitaro Meets Nurarihyon* includes bonus materials: "Yokai Files" that introduce Japan's folklore monsters and a "History of Kitaro" essay by translator Zack Davisson. BEAUTIFUL DARKNESS HC

(W) Fabien Vehlmann (A/CA) Kerascoet

A dark fairy tale about surviving the human experience, *Beautiful Darkness* is a harrowing look at the human psyche and the darkness that hides behind the routine politeness and meaningless kindness of civilized society. The sweet faces and bright leaves of Kerascoët's joyful watercolors only serve to highlight the evil that dwells beneath, as characters allow their pettiness, greed, and jealousy to take over. It a bleak allegory on the human condition; Kerascoët's and Fabien Vehlmann's work is a searing condemnation of our vast capacity for evil writ tiny. (STK622626)

Why, then he'd be Reggie-12! *Reggie-12* is classic Japanese adventure manga cartooning reworked in Brian Ralph's trademark style and told with the episodic wit and structure of the contemporary American sitcom. GOOD NEWS BIBLE: THE DEADLINE STRIPS OF SHAKY KANE

by Shaky Kane

$34.99 / SC / 240 pgs / FC / 8.8 x 12.3

This major retrospective of comics and illustration from essential British cartoonist Shaky Kane collects the entirety of his work from the classic '90s magazine *Deadline* for the first time. Heavily influenced by the great Jack Kirby, Shaky produces comics that combine intensity and bombast with a psychedelic and unmistakably British cynicism.

SHOWTIME

by Antoine Cossé

$22.50 / SC / 176 pgs / BW / 6.7 x 9.5

Antoine Cossé's cinematic tale of a magician blurs the lines between what is real and what is a trick. His complex narrative draws on recent lines of public intellectual enquiry into the power of collective memory, how myth and fable can be used to construct identity, and whether individual psychology can ever effect objective reality. Meanwhile, his illustrations simply astonish.

As the civil rights struggle heats up in Texas, two families—one white, one black—find common ground. This semi-autobiographical tale is set in 1967 Texas, against the backdrop of the fight for civil rights. A white family from a notoriously racist neighborhood in the suburbs and a black family from its poorest ward cross Houston's color line, overcoming humiliation, degradation, and violence to win the freedom of five black college students unjustly charged with the murder of a policeman. Semi-fictionalized, this story has its roots solidly in very real events. *The Silence of Our Friends* is a new and important entry in the body of civil rights literature for older teens and adults. HUNGRY GHOSTS #1

Recommended by Luke Martin

Chef and author Anthony Bourdain and writer Joel Rose cooked up a fairly strong first comic with their 2012 hit *Get Jiro!* Combining both a satirical look at the culture of food with an over-the-top violent grindhouse aesthetic was a bold decision, but one that led to a story with unique vision. Which is why I'm very excited for their next joint effort, *Hungry Ghosts*.

The setup is somewhat like a frame story for a horror anthology. A circle of chefs are dared to partake in the classical Japanese parlor game of *Hyakumonogatari Kaidankai*, wherein one hundred candles are lit and extinguished in sequence with a spoken horror story or tale of folklore. When all one hundred candles go out, it is said to create the perfect conditions for summoning a spirit. Each issue will contain two or three of such framed stories told by the various chefs, and all relating to food in some way. Many of the yarns being spun are variations of classical Japanese folklore involving existing yokai.

If you were a fan of the art in *Get Jiro!* then you'll be sure to love it *Hungry Ghosts* as well. While Langdon Foss is absent from the art team, Jose Villarubia is back and lending his rich sense of vibrant color to the work. Vanesa Del Rey and Alberto Ponticello have taken over penciling and ink and share between them a strong control of line and a penchant for deep shadows and deeper blacks that create an eerie sense of unease in all of their work.

Short tales of tasty terror abound as chefs cook up myths of classic Yokai and add their own twist!

THREE-FIFTHS A MAN: A GRAPHIC HISTORY OF THE AFRICAN AMERICAN EXPERIENCE GN

(W) Sid Jacobson
(A/CA) Ernie Colón

Three-Fifths a Man highlights the key events in African American history, taking us from the sixteenth-century Atlantic slave trade to the election of Barack Obama and the Black Lives Matter movement. Jacobson and Colón convey a history of hardship and hope, a painful and necessary process, full of victories and setbacks, from the Amistad mutiny and the Three-Fifths Compromise to Brown v. Board of Education and the Scottsboro Boys. We see the first African slaves arriving in Jamestown in 1619, watch as the "peculiar institution" undermines our founding ideals, witness the triumph of the Union in the Civil War followed by the collapse of Reconstruction in the South, and observe the hard-won progress of the civil rights movement from the early twentieth century to its contemporary iterations. Prepare to return to the epic universe of Jaegers and Kaiju with *Pacific Rim Aftermath*, the official comic book prequel to the highly anticipated new film *Pacific Rim Uprising* starring John Boyega and coming to theaters March 2018. Santa Monica, 2034. In a city that was once the jewel of the west coast, a new world has emerged: one rising up from the ashes of giant robots and giant monsters. In this futuristic aftermath, we will meet a new generation of survivors, including Jake Pentecost, son of Stacker Pentecost, who is searching for answers behind the death of his Legendary father; Griffin, a Jaeger pilot who has gone from using his skills to defend the world to piloting an illegal Jaeger enforcer for a mob boss; and the Mech Czar, a techno-criminal overlord who rules the underworld with a steel fist. Set against a neo-noir backdrop of street gangs, Kaiju worshipers, and Jaeger Scrapyards, a mysterious but familiar figure arrives with a dangerous agenda! (STL068424)

THAT'S HORRIBLE THAT HE WOULD SELL HIS OWN PEOPLE OUT LIKE THAT.
AND TO THE GALRA—WHAT A MONSTER!
WELL, WE WON'T LET THE GALRA HURT YOU ANYMORE. WE'RE GOING TO HELP YOU!
RIGHT, GUYS?
LET'S BE HEROES AND JUNK!
ABSOLUTELY
WHY NOT?
AFFIRMATIVE
OF COURSE
QUIZNAKING BELIEVE IT!
THANK YOU, PALADINS. WE WILL FIGHT WITH HONOR ALONGSIDE YOU.
AND KUVYR AND I WILL SWEAR OUR MARITAL ALLEGIANCE TO YOU, HUNK, UNTIL WE RIDE IN A FLAMING COFFIN TO THE HINTERLANDS.
AWESOME! WAIT, WHAT?
THEY WANT TO BE YOUR BRIDES.
WHY WOULD YOU WANT TO BE MY BRIDES?
BECAUSE YOU ARE THE LARGEST PALADIN OF VOLTRON. SIZE AND STRENGTH ARE THE MOST IMPORTANT ATTRIBUTES IN OUR SOCIETY.
AND WITH OUR FATHER'S RECENT PASSING, WE MUST BOTH TAKE OVER THE CLAN AND HAVE A HUSBAND TO DO HIS HUSBANDLY DUTIES, LIKE PREPARE FOOD, DO THE DISHES, PARTICIPATE IN WARFARE WITH THEIR WARRIOR WIVES.
RIGHT, YEAH, ALL OF THOSE THINGS SOUND SUPER AWESOME—THEY DO—BUT UHN, WHERE I'M FROM, PEOPLE DON'T TAKE "WIVES," PLURAL.
SOME OF THEM DO.
RIGHT. THANK YOU, PIDGE. I MEANT MY FAMILY DOESN'T. I'M JUST A ONE-WIFE KINDA GUY.
THEN WE WILL BATTLE EACH OTHER FOR THE RIGHT TO BE YOUR ONE WIFE.
WAIT, WAIT WAIT—
YES. MAYBE ONE OF US WILL PROVE TO BE WORTHY OF BEING THE YELLOW ONE'S SOLE WIFE.
HELP. THIS SOUNDS LIKE A SUPER DANGEROUS JOURNEY. BETTER DOUBLE-CHECK THE LIONS' ENGINES!
SO HOW DO WE GET TO YOUR SACRED HUNTING GROUNDS?
THE WASTES ARE IN THE BEYOND... AND INSIDE, DOOM AWAITS...
HEY, MAN. YOU BUSY?
NAH, WHAT'S UP?
I WAS TRYING TO RUN A DIAGNOSTIC ON THE LIONS, BUT THOSE TWO WARRIOR LADIES CAME AND STARTED FIGHTING IN FRONT OF ME TO PROVE THEIR VALOR OR SOMETHING.
SO YOU CAME HERE TO RUB IT IN?
NO, NO, NO! IT'S NOT LIKE THAT AT ALL. I DON'T KNOW WHAT TO DO HERE, LANCE. THESE LADIES WANT TO MARRY ME! I'M NOT READY FOR THAT!
I DON'T EVEN KNOW IF I LIKE THEM! AND MARRIAGE—I'M JUST A KID! I USED TO WATCH MY NIECE AND NEPHEW WHEN THEY WERE BABIES, AND THEY WOULD CRY ALL THE TIME AND I DIDN'T EVER KNOW WHAT TO DO, SO I'D HAVE TO GIVE THEM TO THEIR MOM—
—HUNK, RELAX!
SORRY, I'M JUST FREAKED OUT. I'VE NEVER HAD TWO LADIES FIGHT OVER ME BEFORE.
BOY, DO I KNOW YOUR PAIN. WELL, YOU CAME TO THE RIGHT PLACE FOR LOVE ADVICE. LET ME GIVE YOU A RUNDOWN OF LANCE'S GUIDE TO LOVE...

PHANTOMS OF THE LOUVRE HC
(W/A/CA) Enki Bilal
Superstar European SF and Fantasy comics artist Enki Bilal revisits the Louvre in twenty-two portraits. He imagines 22 fates of men, women and children whose lives have been affected by a work of art. They haunt the halls of the Louvre. They are long dead, often violently. They are a Roman legionary, a muse, a painter, a German officer. Each, one day, met a painter or a sculptor and was their model. Bilal startlingly brings them back to life. Both a work of Fantasy and a masterful homage, this was presented in a special exhibition in the Louvre in early 2013. (STK637991) (C: 0-0-1)

After losing her job at the library, Celeste Walden starts working at the haunting Logan Museum as an archivist. But the job may not be the second chance she was hoping for, and she finds herself confronting her mental health, her relationships, and before long, her grasp on reality as she begins to dream of a young woman she's never met, but feels strangely drawn to. Especially after she asks Cel for help...

As Cel attempts to learn more about the woman, she begins losing time, misplacing things, passing out—the job is becoming dangerous, but she can't let go of this mysterious woman. Who is she? Why is she so fixated on Cel? And does Cel have the power to save her when she's still trying to save herself?

"I'm excited to be offering readers a story about growing up, relationships, and mental health that is equal parts scary, heartfelt, and funny. I hope this book will appeal just as much to fans of ghost stories as it will to fans of shoujo manga."

Rick and Morty™: Pocket Like You Stole It is the fan-favorite comic book miniseries based on the popular Adult Swim™ television series and inspired by the Pocket Mortys mobile game!

Morty is on a quest to free himself (and all the other Mortys) from the clutches of Ricks, who collect Mortys and force them to battle one another for schmeckles and glory. Along the way, he'll discover the grisly history of Morty battling, the dastardly lengths that Ricks are willing to stoop to in order to win, and perhaps... the strength in himself that's needed to free the Mortys once and for all?

"The jokes in PLYSI are just as funny as the ones in the television series, and at times more-so. The interactions also feel genuine and right out of the show. Howard does a fantastic job at this and beautifully conveys the characters for who they are."

MEGA MAN MASTERMIX

Recommended by Jonathan McKinney

The Blue Bomber is reappearing on comic shelves in Manga style this winter with the debut of *Mega Man Mastermix*! Udon Entertainment is bringing expert creative talent Hitoshi Ariga's work on Mega Man to life with a colored edition of the previously released *Megamix* and *Gigamix* series.

Mega Man is a classic videogame series with a devoted fan base, and *Mastermix* is sure to scratch the itch for those wanting more. Combining *Megamix* and *Gigamix* into one series and presenting it in the traditional, enlarged comic format, there is plenty to be excited about for the diehard fans and those looking to learn about the franchise.

One of my favorite aspects of the *Mega Man* franchise is the amazing design for each of Dr. Wily's Robot Masters. In *Mastermix*, Hitoshi Ariga gives all the Robot Masters fantastic new looks that respect the original design, but makes them much more intimidating than what we've seen in the past. It's a nice nod to the original games in the franchise while modernizing the characters.

With 80 pages of beautifully colored *Mega Man* goodness, it's worth checking out if you have played any of the games in the past. *Mega Man* is a likeable hero worth rooting for, and you can witness more of his adventures in January!

Nishizuru Yakki has always considered himself a fairly normal guy — he's graduated from school, works a part-time job, and has never had a girlfriend. Yet he does have one unusual ability: he can see *yokai* spirits! He usually copes with these ghostly visions by ignoring them, until he meets a mysterious young woman named Rokka. Now his normal days have taken a notably abnormal turn, as Yakki finds himself the sole defender of some sexy supernatural *yokai*! (STL068097) (C: 0-1-0)

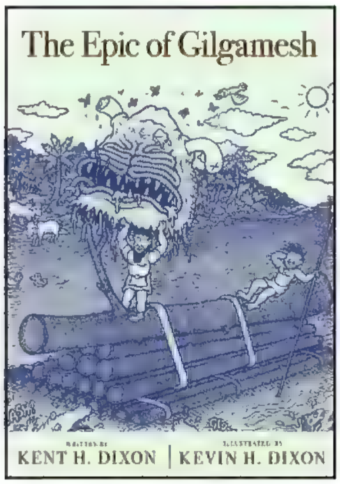
SEVEN STORIES PRESS



THE EPIC OF GILGAMESH GN

The most complete Gilgamesh in translation, including the new discoveries from tablet V. *The Epic of Gilgamesh* is the Uhr epic — the hero's journey, quest, and education — inscribed onto damp clay tablets several millennia before Odysseus or the priest of Ecclesiastes found their voices. Sumerian versions of the epic date back almost 5000 years. It is a Bildungsroman of a bad king learning to become a proper human being and therefore a wise king, and to do so, besides defeating lions and monsters and surviving great physical and emotional suffering, he must face, and answer, the first (and last) great question: mortality. Translated into English and presented here in its entirety as a graphic novel, this version of *The Epic of Gilgamesh* is a father/son project by scholar and translator Kent H. Dixon and his son, the comix artist Kevin Dixon, who bring a fresh take on this great work. (STL066953) (C: 1-1-0) **NOTE:** Not available in Australia and New Zealand.

STRANGERS IN PARADISE XXV#1

Recommended by Steven Leal

Some years ago I wrote, "You know sometimes you take an old friend for granted and when they are gone you hate yourself for not being as attentive as you should have been with them." This was when the last issue of *Strangers in Paradise* was being offered in ***PREVIEWS***. You knew you were going to miss these friends, but Terry Moore began introducing you to new friends from Julie in *Echo*, Rachel and Jet in *Rachel Rising*, and Sam in *Motor Girl*.

In an era of Facebook and Google if you wonder how your friends are doing you can find out. Comics characters, not so much. With 2018 marking the 25th-anniversary of *Strangers in Paradise* we finally get to revisit old friends Francine and Katchoo and the always not so friendly Tambi in *Strangers in Paradise XXV #1*, the first of a planned 10-issue story arc.

Francine and Katchoo have found peace with their past and are enjoying their own bit of paradise. Every paradise seems to have a snake hiding in the grass, however, and this one is a reminder of the Parker Girls. With their peaceful life threatened, you know Katchoo isn't going to put up with that shit, with a little sisterly help from Tambi the hunt is on for their prey. As the ad says this month, "The Bitch is Back!"

A Terry Moore book is always a welcome addition to my reading (and collecting) list and when it's Helen Francine Peters and Katina Marie ("Katchoo") Choovanski, coming back it's like having your favorite meal from your favorite restaurant you're never disappointed.

The World's Greatest First Love Volume 9

Story and Art by Shungiku **NAKAMURA**

Manga editor Ritsu Onodera is still working as hard as ever under his relentless editor in chief—and first love—Masamune Takano. And although his skills as an editor continue to improve, his unrealistic goal of being Takano's equal gets the better of him, causing Ritsu to collapse from overwork. Fed up, Takano declares that in order to prevent another such collapse, he will now have to manage Ritsu's private life. Ritsu knows he should be mad, but Takano's concern for his health touches him in ways he doesn't care to admit.

OCT168019

Twenty minutes from now, visitors from a far-off world will fall into Earth's orbit and issue a most unexpected request...these "Emissaries" invite a single human being to be selected as a representative for all of Earth in an intergalactic Parliament. Mankind is given five years in which to prepare this volunteed for the rigors of space travel and the intricacies of alien diplomacy.

Scientist Dr. Richard Wymond devises the ZETTA serum -- a nano-biological cocktail that will augment its recipient with nearly superhuman abilities. But when Wymond's daughter is mortally injured in a freak accident, he makes a fateful decision, and rather than let her die, he injects Evie with the world's only sample of the ZETTA serum.

Now the fate of the world rests on the shoulders of one 17-year-old girl. How will Evie cope with this awesome responsibility? Will she survive the strange political intrigues of Parliament? And more important, are the "Emissaries'" intentions as honorable as they have led us to believe?

HERO-A-GO-GO! SC

Welcome to the Camp Age, when spies liked their wars cold and their women warm, good guys beat bad guys with a pun and a punch, and Batman shook a mean cape. *Hero-A-Go-Go* celebrates the camp craze of the Swinging Sixties, when just about everyone — the teens of Riverdale, an ant and a squirrel, even the President of the United States — was a super-hero or a secret agent. Michael Eury takes you through that coolest cultural phenomenon with this lively collection of nostalgic essays, histories, and theme song lyrics of classic 1960s characters like Captain Action, Herbie the Fat Fury, Captain Nice, Atom Ant, Scooter, ACG's Nemesis, Dell's super-Frankenstein and Dracula, the "split!" Captain Marvel, and others! (STL031673)

MARVEL COMICS IN THE 1960S SC

(W) Pierre A. Comtois
(A) Jack Kirby, Steve Ditko

After being relegated to the realm of children's literature for the first 25 years of its history, the comic book industry experienced an unexpected flowering in the early 1960s. A celebration of that emergence, *Marvel Comics in the 1960s: An Issue-by-Issue Field Guide to a Pop Culture Phenomenon* takes the reader from the legendary company's first fumbling beginnings as helmed by savvy editor/writer Stan Lee (aided by such artists as Jack Kirby and Steve Ditko), to the full maturity of its wild, colorful, offbeat grandiosity. KIRBY 100 SC

The party starts here! TwoMorrows and the *Jack Kirby Collector* magazine celebrate Jack Kirby's 100th birthday in style with the release of *KIRBY100*, a full-color visual holiday for the King of comics! It features an all-star line-up of 100 comics pros who critique key images from Kirby's 50-year career, admiring his page layouts, dramatics, and storytelling skills, and lovingly reminiscing about their favorite characters and stories. Featured are Bruce Timm, Alex Ross, Walter Simonson, John Byrne, Alan Davis, Joe Sinnott, Steve Rude, Adam Hughes, Wendy Pini, John Romita Sr., Dave Gibbons, P. Craig Russell, and dozens more of the top names in comics. Their essays serve to honor Jack's place in comics history, and prove (as if there's any doubt) that Kirby is King! This double-length book is edited by John Morrow and Jon B. Cooke, with a Kirby cover inked by Mike Royer. (STL045349)

The must-read superhero-action-family-drama-buddy-comedy throwdown of 2018!

It's the ones you love that hurt you the most...and, in the case of super-powered adoptive brothers Eric and Woody Henderson - aka Quantum and Woody - this is definitely going to leave a mark! Quantum has kept the truth about Woody's biological father a secret, and now that Woody has found out about his brother's betrayal, their once-promising superhero career has ground to a standstill. So now it's time for one last shot at teaming up as our heroes head "down under" - ahem, to Australia - in search of Woody's one true DNA match. Like father, like son? Let's hope not.

You'll believe two men and a goat can fly coach when the new adventures of the world's worst superhero team continue with a slightly less collectible second issue from rising star Daniel Kibblesmith (*The Late Show With Stephen Colbert*) and dazzling artist extraordinaire Kano (*Daredevil*)!

DIVINITY: THE COMPLETE TRILOGY
DELUXE EDITION HARDCOVER

For the first time anywhere, experience all three sold-out volumes of the visionary science-fiction saga that refined the Valiant Universe for the 21st century in one stunning, oversized deluxe hardcover!

At the height of the Cold War, the Soviet Union - determined to win the Space Race at any cost - green lit a dangerously advanced mission. They sent a man farther into the cosmos than anyone has gone before or since. Lost in the stars, he encountered something unknown. Something that… changed him.

Long thought lost and erased from the history books, he has suddenly returned, crash-landing in the Australian Outback. The few that have been able to reach him believe him to be a deity - one who turned the scorched desert into a lush oasis. They say he can bend matter, space, and even time to his will. Earth is about to meet a new god. And he's a communist. How long can it be before the first confrontation between mankind and DIVINITY begins?

From the minds of New York Times best-selling writer Matt Kindt (X-O MANOWAR, *Mind MGMT*) and superstar artist Trevor Hairsine (*X-Men: Deadly Genesis*) comes the first complete collection of the multiple Harvey Award-nominated series that Entertainment Weekly calls "a mind bending battle for the ages"!

SPIRITUS #5

(W) Tim Daniel (A/CA) Michael Kennedy
Fighter. Wife. Machine. Woman. Kinju Dayal's final incarnation will be that of a weapon of mass destruction. But the revolution hinging on her final act of violence is, at its very core, a fiction. Let the truth be told in the last round. (STL068530)

IMMORTAL HOUNDS VOLUME 6 GN

(W/A/CA) Ryoh Yasohachi
In an alternate world everyone is an immortal. There are no doctors or hospitals. Cemetaries are things of the past; some consider them to be legends or myths. But with immortality comes consequences, like the loss of some of humanities greatest gifts...including love. There are those who understand that and choose to die for the ability to experience such emotions again. The government is determined to erradicate those who take that path, however. (STL067790) (C: 1-1-0) **NOTE:** Not available in Australia and New Zealand.

IMPERFECT GIRL VOLUME 2 GN

(W) Nisioisin, Mitsuru Hattori
(A/CA) Mitsuru Hattori
Legendary novelist NISIOISIN partners up with Mitsuru Hattori (*Sankarea*) in this three volume graphic novel adaptation of one of his more recent mystery novels. A young author is being held hostage in the home of a grammar school girl. Held there by knife-point, and partially by his own curiousity, the author hopes to uncover the mysteries behind this child's torment. He knows she lives alone in this huge home. But where are her parents? And what was her life like before the accident and this "kidnapping"? Who feeds her? Who helps her with her homework? Who does the school contact when she needs help? It's been almost a week, and the questions are adding up, while few answers are in sight. (STL066950) (C: 0-1-0)

KITARO THE VAMPIRE SLAYER

Recommended by Sarah [illegible]

I've got a gigglingly gruesome recipe for you! Take 2 parts *Casper the Friendly Ghost*, 1 part *Walt Kelly's Pogo*, mix in the comedic stylings of the old *Rocky & Bullwinkle* cartoon, and then drench the whole thing Japanese ghost stories and folklore. You've just whipped up a volume of *Kitaro*! If you're not the sort to make things from scratch, no worries, Drawn & Quarterly has you covered with their latest installment: *Kitaro The Vampire Slayer*.

A neighborly monster boy, Kitaro is always ready to lend a helping hand. It's a fact that humans don't know the first thing about yokai: spirits, spooks, and ghouls—and conversely, all those yokai demons and haunts wouldn't know polite society if it bit them. Good thing we have Kitaro! He and his dad (a single over-sized eyeball) are (un)natural diplomats between both the typical and atypical citizens of Japan. Is someone making you pee your bed? Is somebody stealing babies? Is somebody attempting to murder civil servants? Are villages being converted to vampire nests? That goofy nogoodnik the Rat Man (another yokai!) probably got tangled up in another one of his selfish capers gone awry? Don't worry, Kitaro will sort it out!

This whole series is an utter delight for manga aficionados and the supernaturally-curious. Written in the decades following WW2 by renowned mangaka Shigeru Mizuki, the *Kitaro* series is an accessible and delightful introduction to all the ghouls, ghosts, monsters, and superstitions that Mizuki himself learned from his grandmother when he was a child. Come sit down with Mizuki and Kitaro, bring your own kiddos if you like. It's safe. That rascally Rat Man will bumble up some crazy new trouble, but the good guys always win.

Japan's Secretary of Defense needs defending from Vampires. Don't get the army! Send in little boy Kitaro, Japan's strongest supernatural hero (and his Dad.)

MOBILE SUIT GUNDAM WING VOLUME 4: GLORY OF THE LOSERS GN

(W) Katsuyuki Sumizawa
(A) Tomofumi Ogasawara, Yoshiyuki Tomino

One of the biggest anime/manga properties of all time returns with the release of *Mobile Suit Gundam Wing*. Following the actions of five fighters and their mobile suits (large robots made for destruction), *Gundam Wing* is a heavily political, dramatic action work that is centered around a war between Earth and its surrounding colonies in space. MY NEIGHBOR SEKI VOLUME 10 GN

(W/A/CA) Takuma Morishige

My Neighbor Seki is a high school comedy manga in the vein of *Yotsuba* and *Azumanga Daioh*. These comics tend to do well through a wide range of manga reading demographics and are often heavily considered for programs like the Scholastic Book Club. *My Neighbor Seki* is a collection of short stories that revolve around two classmates who sit at the back of their high school homeroom. In each chapter Seki devises a new way to kill time in his school desk, to best avoid boredom. And along the way, he ends up distracting the girl who sits next to him Rumi, whose mind goes wild as Seki pushes the limits of his disobediance. (STL066952) (C: 1-0-0) **NOTE:** Not available in Australia and New Zealand.

MARVEL'S BLACK PANTHER: THE ILLUSTRATED HISTORY OF A KING HC

(W) Dennis Culver

From his first appearance in *Fantastic Four* #52 (1966) to his current *New York Times*-bestselling solo series, the King of Wakanda has been a force to be reckoned with on the page and now, on the silver screen. A veteran Avenger and a member of the Illuminati, T'Challa's evolution from being a Jack Kirby and Stan Lee creation, to inspiring his own character-led film for Marvel Studios, to serving as a literal voice of the people and the state of race relations in twenty-first-century America has been legendary. As the first black superhero in mainstream American comics, debuting years before other industry heavy hitters like the Falcon, Luke Cage, and John Stewart (Green Lantern), Black Panther is a seminal note in pop culture history. This deluxe hardcover book not only covers the history and creation of the character but also features exclusive concept art, layout and sketch art, and interviews with key artists and writers from Black Panther's robust archives. Black Panther. Ruler of Wakanda. Avenger. This is his destiny. But right now, he's simply T'Challa, the young prince. Life is comfortable for twelve-year-old T'Challa in his home of Wakanda, an isolated, technologically advanced African nation. When he's not learning how to rule a kingdom from his father, the reigning Black Panther, or testing out the latest tech, he's off breaking rules with his best friend, M'Baku. This is no prestigious private academy-they've been enrolled at South Side Middle School in the heart of Chicago. Despite being given a high-tech suit and a Vibranium ring to use only in case of an emergency, T'Challa realizes he might not be as equipped to handle life in America as he thought. When strange things begin happening around school, T'Challa sets out to uncover the source. But what he discovers in the process is far more sinister than he could ever have imagined. GRAPHITTI DESIGNS FLASHBACK

Our Gallery Edition books have been a labor of love from the get go. Books in this format traditionally contain art by a single artist. Though focused on the art of Sam Kieth and P. Craig Russell, our Sandman book also included a representational page from each of the seventy-five issues. Josh Beatman, our designer on this and all of our Gallery Edition books, designed the stellar presentation the art deserved...for which he received an Eisner Award for Best Publication Designs in 2016. It's nice to be appreciated.

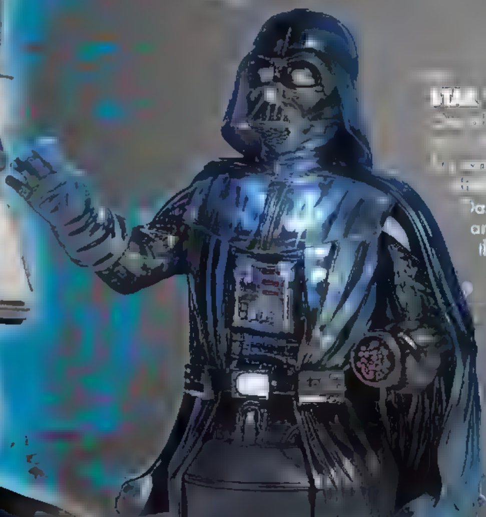
Life-Size Statue........ [illegible]



STAR WARS: DARTH VADER EMPEROR'S WRATH MINI-BUST

One of the pivotal moments in the Star Wars Saga is captured in Gentle Giant [illegible] 'Emperor's Wrath' mini bust. Darth Vader coldly brings his son before the emperor to be turned to the Dark Side of the Force... or die. When Luke denies the Emperor his prize, the Sith Lord formerly known as Darth Sideous, turns his force lighting on our hero. Unable to stand by and watch his only son perish, Lord Vader exhibits a father's love for the first time in his life to stop his child's suffering. Vader picks up the Emperor and is engulfed in his Force lighting. This amazingly detailed mini bust has been digitally sculpted using top of the line 3D software and prototyped using 3D Systems industrial 3D printers. The final product is hand cast in translucent resin with a light-up feature to simulate the dramatic turning point in the life of Anakin Skywalker, and painstakingly hand painted so that no detail is missed. Comes with numbered Certificate of Authenticity. (STL069538) Scheduled to ship in June 2018. (5498/80746) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

WARHAMMER CHRONICLES
VAMPIRE WARS
THE VON CARSTEIN TRILOGY
STEVEN SAVILE

WARHAMMER: VAMPIRE WARS SC
(W) Steven Savile
A blood-drenched omnibus telling the story of the Von Carstein vampire counts, cruel undead rulers of the cursed land of Sylvania. The Von Carsteins were the most infamous bloodline of vampires to ever stalk the *Warhammer* Old World. Their very names — Vlad, Konrad and Mannfred — were whispered in fear by the people of the Empire, conjuring up images of doom, death, and destruction. Charting the vampire family's rise to power in the shadow-haunted lands of Sylvania and their century-spanning wars with the Empire, this omnibus edition collects all three of Steven Savile's classic Von Carstein novels — *Inheritance*, *Dominion*, and *Retribution* — into one gore-drenched volume. PHIL KELLY

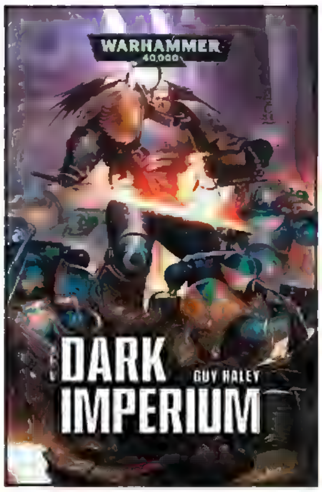
WARHAMMER 40K: CRISIS OF FAITH SC
(W) Phil Kelly
The tau are a mysterious alien race, diametrically opposed to the Imperium of Man in every possible way, from their mastery of technology to their methods of warfare and social structure. Yet in galactic terms they are a young race, and naïve when it comes to the manipulations of Chaos. When promising young commander Farsight is promoted to lead a crusade across the Damocles Gulf to reclaim the tau's lost colonies from mankind, the mood is one of optimism. With their mighty fleet, and superior weapons and machines, how can their endeavor possibly fail? However, despite a parade of early successes, Commander Farsight soon faces enemies he wasn't anticipating, and finds not only his courage but also his soul tested to the very limit. (STL059636)
SC, 432pgs, B&W $16.00



WARHAMMER 40K: DARK IMPERIUM SC
(W) Guy Haley
Fell times have come to the galaxy. Cadia has fallen, destroyed by the onslaught of Chaos. A Great Rift in the warp has opened and from its depths have spewed daemons and the horrors of Old Night. But all hope is not lost. A hero, long absent, has returned and with him comes the wrath of the Ultramarines reborn. Roboute Guilliman, the last of the loyal primarchs, has arisen from millennia in stasis to lead the Imperium out of darkness on a crusade the likes of which has not been seen since the fabled days of the Emperor. But never before have the forces of Ruin amassed in such numbers, and nowhere is safe from despoliation. As the Indomitus Crusade draws to an end, Guilliman and his army of Primaris Space Marines race to Ultramar and a confrontation with the Death Guard. (STL059638) (C: 0-0-1)

A swordsman without equal, the Phoenician has long studied the art of war and grows impatient to put his skills, and those of his loyal followers, to a true test. Now, accompanied by only seven of his finest warriors, he seeks to bring a rebellious world into compliance, by any means necessary. WARHAMMER 40K: ROGUE TRADER OMNIBUS SC
(W) Andy Hoare
Licensed by ancient charter, Rogue Traders explore the uncharted regions of the galaxy, seeking new worlds to exploit on behalf of the Imperium. The fortunes of Roge Trader Lucian Gerrit and his family are in decline, and his inheritance amounts to little more than a pile of debt and misery. In a final, desperate gamble to restore his family's former glory, Gerrit strikes a deal on a forgotten Imperial world in the Eastern Fringe, but his timing could not be worse. The alien tau are seeking to expand their empire across the Damocles Gulf, and soon Gerrit is caught in the middle of a clash between two mighty star-spanning empires, neither of which is willing to back down. Its malevolent voice is forever in his head, trying to crack his resolve, urging him to unleash a power he must never use. The toll is terrible; how long before the incorruptible Crowe is at last defeated? Under the command of Castellan Gavallan, Crowe and his brother Purifiers bring purging flame to a daemonic incursion that threatens to consume the world of Sandava I. However, what awaits them there is more insidious and more powerful than they imagine, and they must reckon too with the machinations of the Blade, as it seeks to destroy its guardian and drown the galaxy in blood. FLIPSIDE

THE FLIPSIDE INTERVIEW:

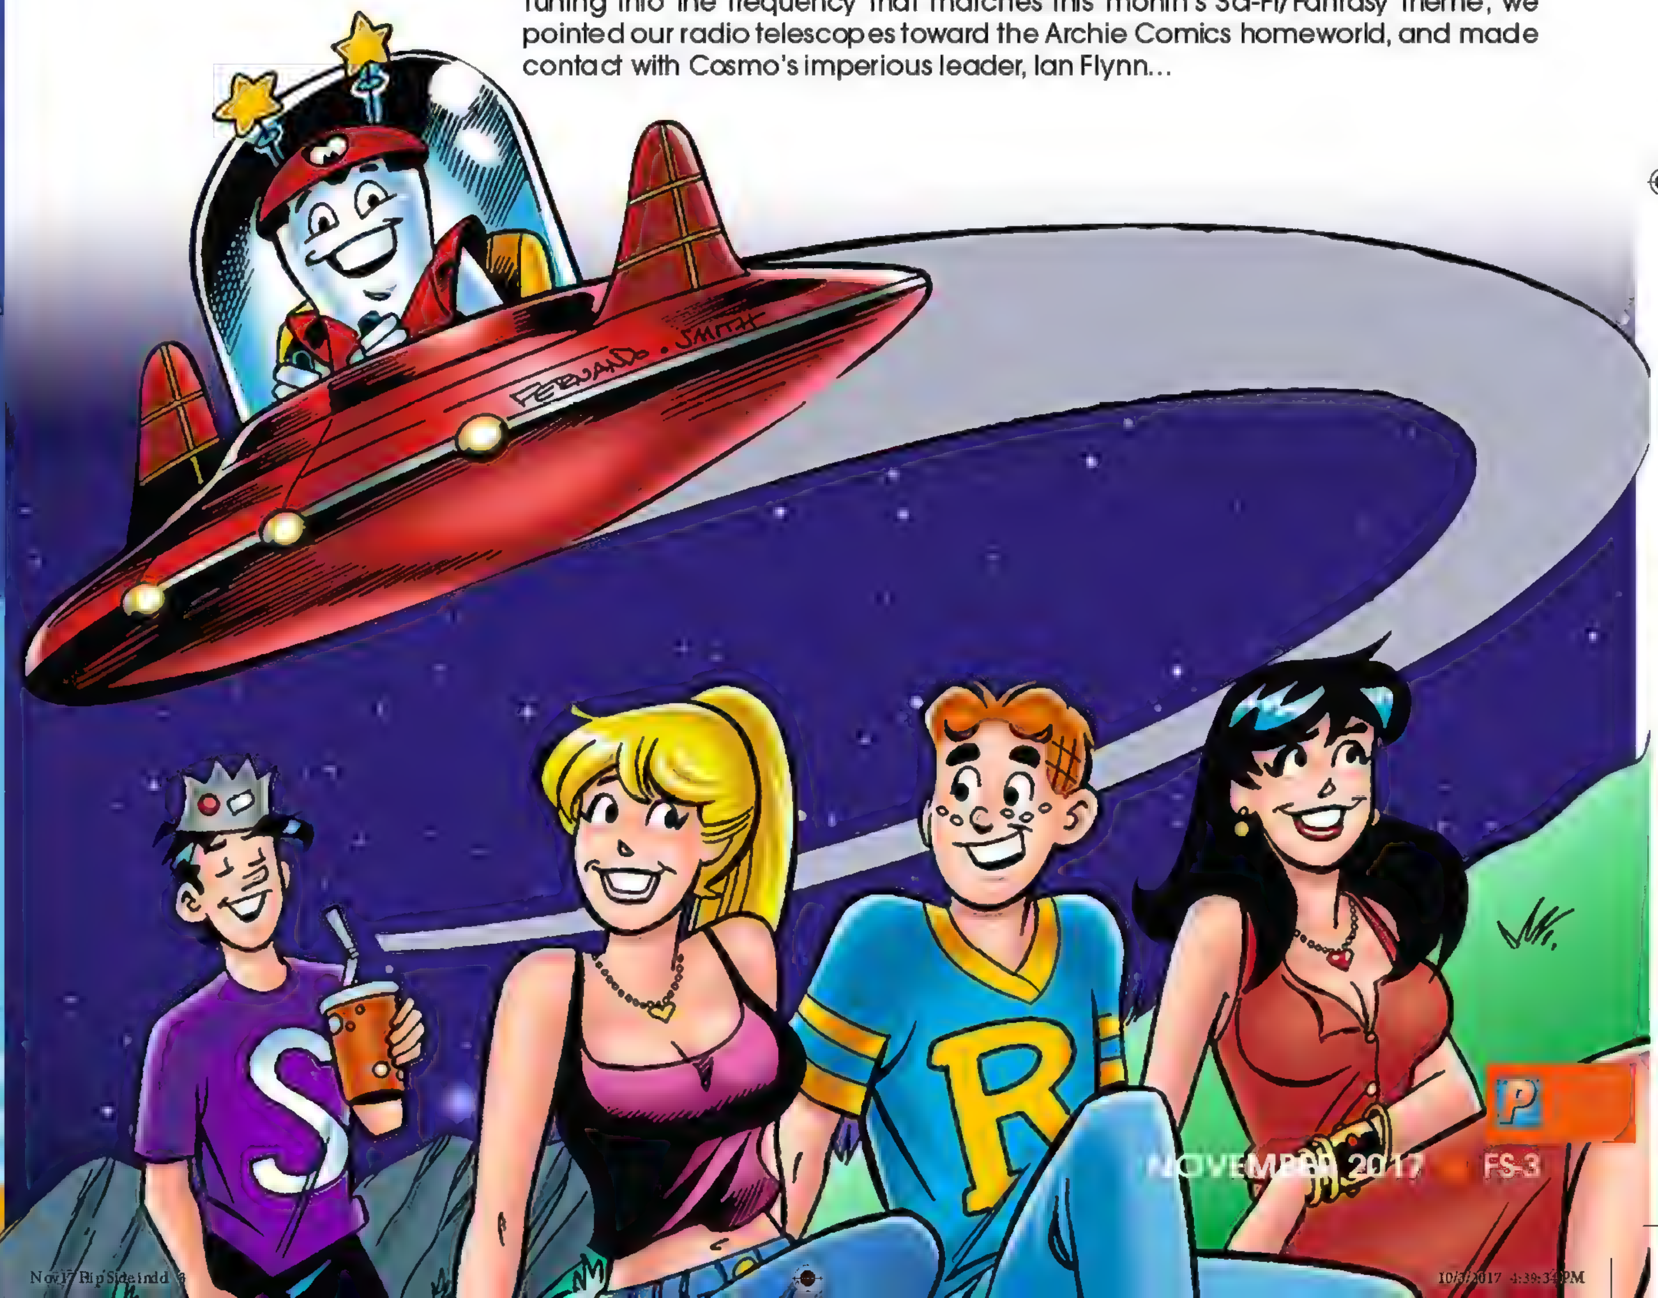
COSMO RETURNS!

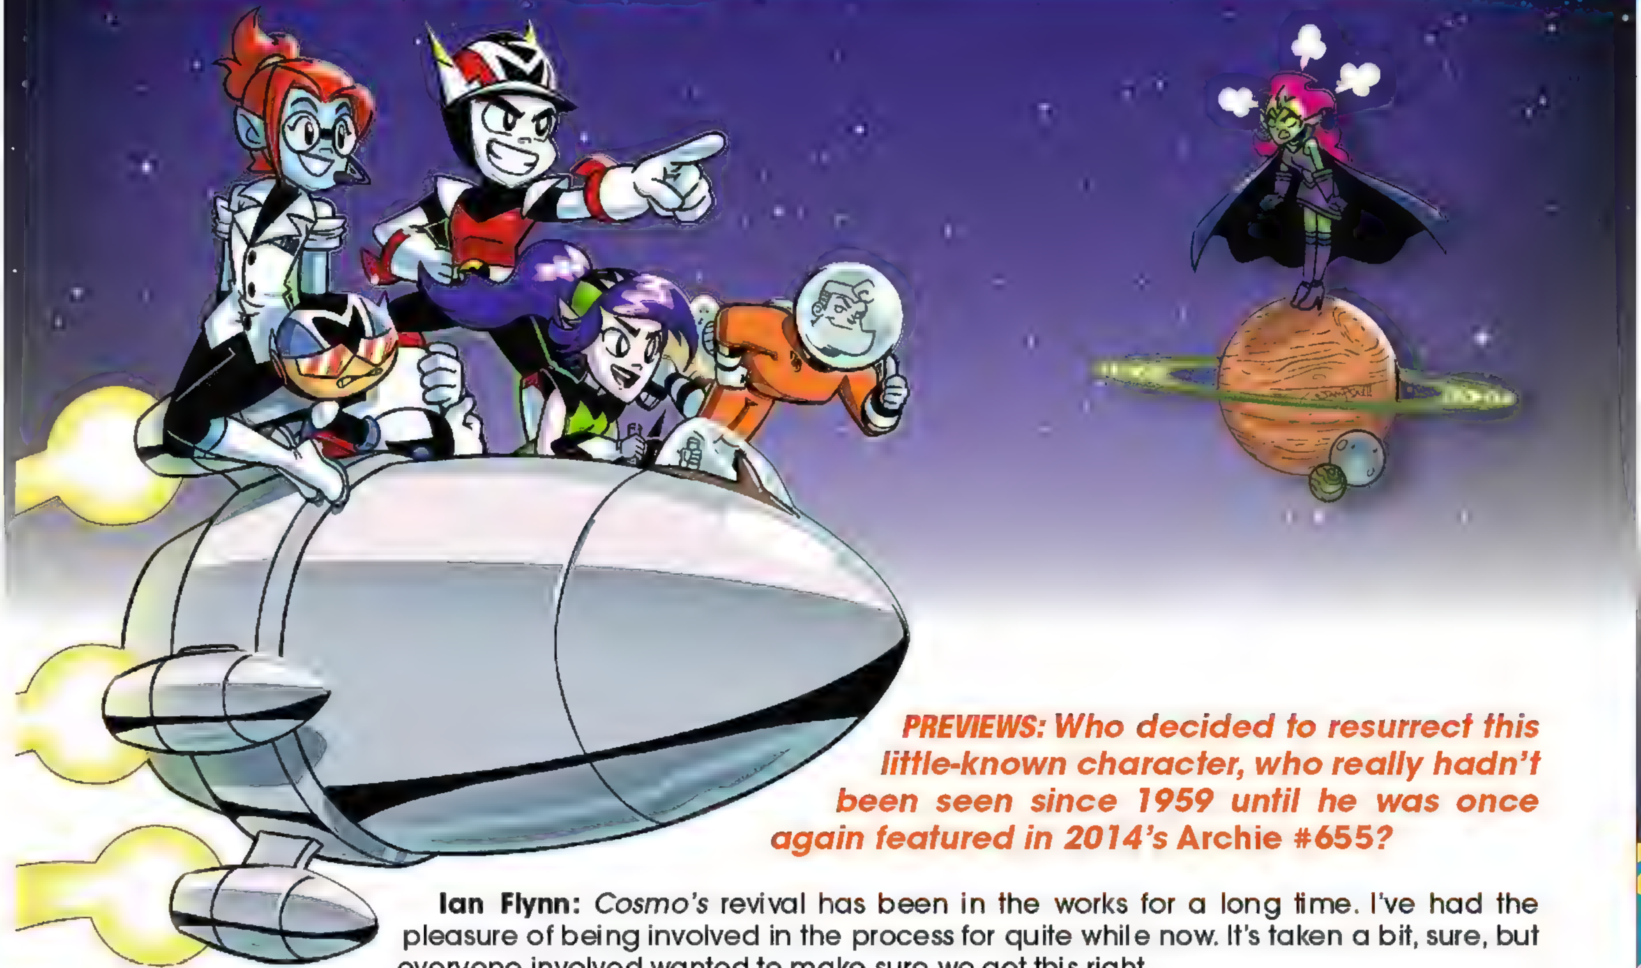
Cosmo is Archie Comics' latest offering in their Action-Adventure line, and you'd be forgiven for thinking it as an entirely new IP. But the truth of the matter is *Cosmo the Merry Martian* debuted as a mini-series in 1958! During the original six-issue run (which lasted into 1959), Cosmo and his crew of misfits traveled the planets in a series of tales where nothing was too weird or wacky to get by.

That spirit lives on in today's *Cosmo*, debuting in early 2018. Cosmo and his friends venture into the stars with a human astronaut on exploits as outlandish as they are thrilling, and as funny as they are adventurous. In trademark Archie fashion, anyone will be able to pick up *Cosmo* and enjoy it — no matter your age, no matter your background.

At the helm of this space odyssey is writer Ian Flynn with artists Tracy Yardley and Matt Herms. All three are veterans of Archie Comics' Action-Adventure line with ten years of experience in bringing delightful all-ages excitement to the comic stands. Now with an in-house property in their hands, you can be sure *Cosmo* and its creative team will deliver high-flying fun!

Tuning into the frequency that matches this month's Sci-Fi/Fantasy theme, we pointed our radio telescopes toward the Archie Comics homeworld, and made contact with Cosmo's imperious leader, Ian Flynn...





PREVIEWS: *Who decided to resurrect this little-known character, who really hadn't been seen since 1959 until he was once again featured in 2014's* Archie *#655?*

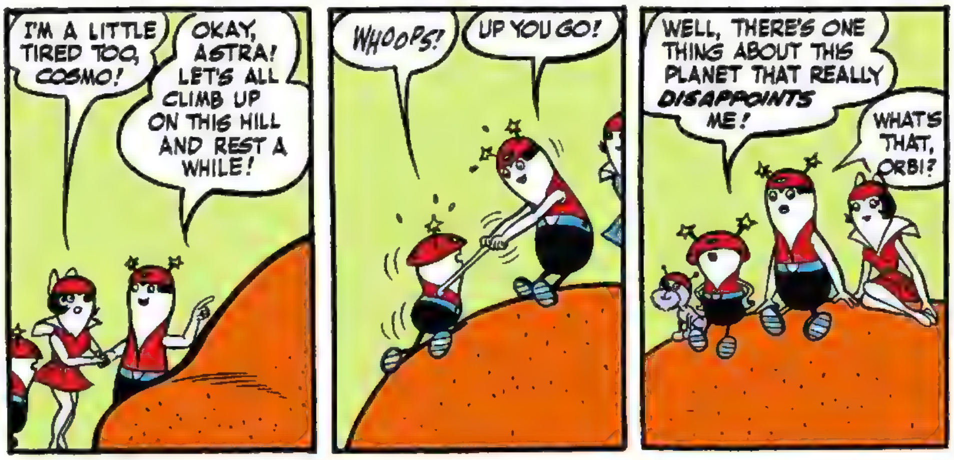
Ian Flynn: *Cosmo's* revival has been in the works for a long time. I've had the pleasure of being involved in the process for quite while now. It's taken a bit, sure, but everyone involved wanted to make sure we got this right.

P: Cosmo appeared very "Shmoo"-like back in the day. Who was responsible for his 21st century redesign?

Ian: Editor Vincent Lovallo spearheaded the update to the style, alongside interior artist Tracy Yardley.

P: Will the series ever address why Cosmo and his ilk look so different from their first appearance? Kind of like* Star Trek*'s Klingons, who also changed drastically between appearances.

Ian: This is a whole new approach to *Cosmo*. We're certainly taking inspiration from the original six-issue run, but we're going in a whole new direction with it. Think of this as "Cosmo 2.0!"



I'M A LITTLE TIRED TOO, COSMO!
OKAY, ASTRA! LET'S ALL CLIMB UP ON THIS HILL AND REST A WHILE!
WHOOPS!
UP YOU GO!
WELL, THERE'S ONE THING ABOUT THIS PLANET THAT REALLY DISAPPOINTS ME!
WHAT'S THAT, ORBI?

P: How far out have Cosmo and Company's adventures been scripted at this point? What kind of adventures can we look forward to?

Ian: We're humming along with the first four issues plotted out and being written. Beyond that it's too early to say, but the potential adventures for Cosmo and his crew are endless!

***P: Are there any other classic Archie Comics concepts or characters that we can look forward to seeing return in the near future? We'd love to see monster-centric* Archie's Mad House *come back as a companion title to* Afterlife with Archie *and* Chilling Adventures of Sabrina!**

Ian: Right now, Archie has me busy with reviving *Cosmo* and *Mighty Crusaders*. You never know what else they've got cooking up behind closed doors, though!
